**“Director”** in terms of this policy means a director of a company as defined in the Companies Act, 1973 and 2008 (Act No. 61 of 1973 and Act No. 71 of 2008); a member of a close corporation as defined in the Close Corporations Act, 1984 (Act No. 69 of 1984); a trustee of a trust or a person holding an equivalent position in a firm.

## **1. Application and Desired Outcomes by Kouga Local Municipality (KLM) from the SCM policy**

- 1)** The desired outcome of this Policy is to provide a mechanism to ensure sound, sustainable and accountable supply chain management within the KLM, whilst promoting black economic empowerment, which includes general principles for achieving the following socio-economic objectives:
  - a)** to stimulate and promote local economic development in a targeted and focused manner;
  - b)** to promote resource efficiency and reduce the negative environmental impact of daily operations of the KLM;
  - c)** to facilitate creation of employment and business opportunities for the people of KLM with particular reference to B-BBEE;
  - d)** to promote the competitiveness of local businesses;
  - e)** to increase the small business sector access, in general, to procurement business opportunities created by Council;
  - f)** to implement e-Procurement as an alternative to a manual process, to enhance efficiency and service delivery;
  - g)** to support green procurement initiatives as far as is reasonably possible.
- 2)** This Policy will also strive to ensure that the objectives for uniformity in supply chain management systems between organs of state, in all spheres, is not undermined and that consistency with national economic policy on the promotion of investments and doing business with the public sector is maintained.

**CHAPTER 1**  
**IMPLEMENTATION OF SUPPLY CHAIN MANAGEMENT POLICY**

**2. Supply chain management policy**

- (1) All officials and other role players in the supply chain management system of the municipality must implement this policy in a way that -
- (a) gives effect to Section 217 of the Constitution and Part 1 of Chapter 11 and other applicable provisions of the Act;
  - (b) is fair, equitable, transparent, competitive and cost effective;
  - (c) complies with the Regulations and any minimum norms and standards that may be prescribed in terms of section 168 of the Act;
  - (d) is consistent with other applicable legislation;
  - (e) does not undermine the objective for uniformity in supply chain management systems between organs of state in all spheres; and
  - (f) is consistent with national economic policy concerning the promotion of investments and the conduct of business with the public sector.
- (2) This policy applies when the municipality –
- (a) procures goods or services.
  - (b) disposes of goods no longer needed;
  - (c) selects contractors to provide assistance with the provision of municipal services otherwise than in circumstances where Chapter 8 of the Municipal Systems Act applies; or
  - (d) selects external mechanisms referred to in section 80 (1) (b) of the Municipal Systems Act for the provision of municipal services in circumstances contemplated in section 83 of that Act.
- (3) This policy, except where provided otherwise, does not apply in respect of the procurement of goods and services contemplated in section 110(2) of the Act, including, but not limited to -
- (a) water from the Department of Water Affairs or a public entity, another municipality or a municipal entity; and
  - (b) electricity from Eskom or another public entity, another municipality or a municipal entity.
  - (c) the provision of goods or services to KLM by entities that have been preapproved by Provincial Department and National Department
  - (d) the provision of a municipal service or assistance in the provision of a municipal service

(e) any other contractual agreements between organs of state for whatever reasons

- (4) Notwithstanding anything to the contrary in this policy, the municipality shall not award a contract to a contractor in respect of the undertaking, carrying out or completion of any construction works or a portion thereof in terms of a competitive bidding or quotation process provided for in this policy unless such contractor is registered with the Construction Industry Development Board established by section 2 of the Construction Industry Development Board Act No. 32 of 2000 and holds a valid registration certificate issued by such Board or is exempted from such registration either in terms of this Act or the "CIDB Regulations".
- (5) A report must be submitted to the accounting officer or delegated authority seeking authority to contract with another organ of state.

### **3. Amendment and adoption of the supply chain management policy**

- (1) The accounting officer must at least annually review the implementation of this policy and, when necessary, submit proposals for the amendment thereof to the council through the Mayor acting in conjunction with the mayoral committee.
- (2) If the accounting officer submits proposed amendments to this policy to the council, he must ensure that same comply with the Regulations and Treasury guideline standards determining standards for municipal supply chain management policies.
- (3) The accounting officer must report any deviation from the Regulations and Treasury guideline standards determining standards for municipal supply chain management policies to the National and Eastern Cape Provincial Treasuries.
- (4) When amending this policy, the need for uniformity in supply chain practices, procedures and forms between all spheres of organs of state particularly to promote accessibility of supply chain management systems for small businesses, must be taken into account.

### **4. Delegation of supply chain management powers and duties**

- 1) The council hereby delegates all powers and duties to the accounting officer which are necessary to enable him –
- (a) to discharge the supply chain management responsibilities conferred on accounting officers in terms of -
- (i) chapters 8 or 10 of the Act; and
  - (ii) this policy; and
- (b) to maximize administrative and operational efficiency in the implementation of this policy; and
- (c) to enforce reasonable cost-effective measures for the prevention of fraud, corruption, favouritism and unfair and irregular practices in the implementation of this policy; and

- (d) to comply with his responsibilities in terms of section 115 and other applicable provisions of the Act.
- (2) Sections 79 and 106 of the Act apply to the sub-delegation of powers and duties delegated to an accounting officer in terms of subparagraph (1).
- (3) The accounting officer may not sub-delegate any supply chain management powers or duties to a person who is not an official of the municipality or to a committee which is not exclusively composed of officials of the municipality.
- (4) This paragraph may not be read as permitting an official to whom the power to make final awards has been delegated, to make a final award in a competitive bidding process otherwise than through the committee system provided for in paragraph 27 of this policy.

## **5. Sub-delegations**

- (1) The accounting officer may, in terms of section 79 of the Act, sub-delegate any supply chain management powers and duties, including those vested in him in terms of legislation or delegated to him in terms of this policy or by resolution of the council, but any such sub-delegation must be consistent with subparagraph (2) and paragraph 4 of this policy.
- (2) The power to make a final award -
  - (a) above R10 million (VAT included) may not be sub-delegated by the accounting officer;
  - (b) above R2 million (VAT included), but not exceeding R10 million (VAT included), may be sub-delegated by the accounting officer but only to -
    - (i) the chief financial officer;
    - (ii) a senior manager; or
    - (iii) a bid adjudication committee of which the chief financial officer or a senior manager is a member;
  - (c) not exceeding R2 million (VAT included) may be sub-delegated by the accounting officer but only to -
    - (i) the chief financial officer;
    - (ii) a senior manager;
    - (iii) a manager directly accountable to the chief financial officer or a senior manager; or
    - (iv) a bid adjudication committee.
- (3) An official or bid adjudication committee to whom or which the power to make final awards has been sub-delegated in accordance with subparagraph (2) must, within five days of the end of each month, submit to the official referred to in subparagraph (4) a written report containing particulars of each final award made by such official or committee during that month, including -

- (i) the amount of the award;
  - (ii) the name of the person to whom the award was made; and
  - (iii) the reason why the award was made to that person.
- (4) A written report referred to in subparagraph (3) must be submitted-
  - (a) to the accounting officer, in the case of an award by -
    - (i) the chief financial officer;
    - (ii) a senior manager; or
    - (iii) a bid adjudication committee of which the chief financial officer or a senior manager was a member;
  - (b) to the chief financial officer or the senior manager responsible for the relevant bid, in the case of an award by -
    - (i) a manager referred to in subparagraph (2)(c)(iii); or
    - (ii) a bid adjudication committee of which the chief financial officer or a senior manager was not a member.
- (5) Subparagraphs (3) and (4) do not apply to procurements out of petty cash.
- (6) This paragraph may not be interpreted as permitting an official to whom the power to make final awards has been sub-delegated, to make a final award in a competitive bidding process otherwise than through the committee system provided for in paragraph 26 of this policy.
- (7) No supply chain management decision-making powers may be delegated to an advisor or consultant.

## **6. Oversight role of the council**

- (1) No councillor may be a member of a bid committee or any other committee evaluating or approving quotations or bids nor attend any meeting of such committees as an observer.
- (2) The council must maintain oversight over the implementation of this policy to ensure that the accounting officer implements all supply chain management activities in accordance therewith.
- (3) For the purposes of such oversight, the accounting officer must -
  - (a) within 30 days of the end of each financial year, submit a report on the implementation of this policy to the council through its mayor;
  - (b) whenever there are serious and material problems in the implementation of this policy, immediately submit a report thereon to the council through its mayor.

- (4) The accounting officer must, within 10 days of the end of each quarter, submit a report on the implementation of this policy to the mayor.
- (5) The aforesaid reports must be made public in accordance with section 21A of the Municipal Systems Act.

#### **7. Supply chain management unit**

- (1) A supply chain management unit is hereby established to implement this policy.
- (2) Subject to subparagraph (3), the supply chain management unit shall operate under the direct supervision of the chief financial officer to whom this duty is hereby delegated by the accounting officer in terms of section 79 of the Act.
- (3) All correspondence with regard to this Policy shall be addressed to the Manager: Supply Chain Management.
- (4) A copy of this Policy and other relevant documentation is available on the KLM's website and also can be requested from the SCM office.

#### **8. Training of supply chain management officials**

- (a) The training of officials involved in implementing this policy should be in accordance with any Treasury guidelines on supply chain management training and applicable prescribed competency level requirements.
- (b) The municipal manager or delegated staff member shall ensure that all persons involved in the implementation of this Policy meet the prescribed competency levels, and where necessary, shall provide relevant training.

### **CHAPTER 2** **SUPPLY CHAIN MANAGEMENT SYSTEM**

#### **9. Format of supply chain management system**

This policy provides systems for -

- (i) Demand management;
- (ii) Acquisition management;
- (iii) Logistics management;
- (iv) Disposal management;
- (v) Risk management; and
- (vi) Performance management.

## Part 1: Demand management

### 10. System of demand management

- (1) The accounting officer must establish and implement an appropriate demand management system in order to ensure that the resources required by the municipality supports its operational commitments and its strategic goals as outlined in the municipality's Integrated Development Plan.
- (2) The demand management system must -
  - (a) include timely planning and management processes to ensure that all goods, services and works required by the municipality are quantified, budgeted for and timely and effectively delivered at the right locations and at the critical delivery dates and are of the appropriate quality and quantity procured at a fair cost;
  - (b) take into account any benefits of economies of scale that may be derived in the case of procurements of a repetitive nature;
  - (c) provide for the compilation of the required specifications to ensure that municipal needs are met;
  - (d) allow for the undertaking of appropriate industry analysis and research to ensure that innovations and technological benefits are maximized.
  - (e) be able to do a forecasting of future needs, identifying of critical delivery days, identifying the frequency of the need, be able to determine requirements (including the internal capacity to implement projects)
- (3) The accounting officer must, prior to issuing an invitation to bid-
  - (a) properly plan for, and, as far as possible, accurately estimate the costs for the provision of goods, services and/or works for which an invitation to bid is to be issued;
  - (b) determine the appropriate preference point system to be utilized in the evaluation and adjudication of bids to be received in response to the contemplated invitation to bid; and
  - (c) determine whether the goods, services and/or works for which an invitation to bid is to be issued has been designated for local production and content in terms of the Preferential Procurement Regulations
- (4) The accounting officer must indicate in an invitation to submit a bid and in the applicable bid specification or terms of reference-
  - (a) that such bid will be evaluated on functionality and, in such event, the following shall be clearly stated:
    - (i) the evaluation criteria for measuring functionality which criteria must be objective;

- (ii) the weight of each criterion which should not be generic but be determined separately for each bid on a case by case basis;
  - (iii) the applicable values that will be utilized when scoring each criterion which values must be objective;
  - (iv) the minimum qualifying score for functionality in order to enable the bid concerned to be further evaluated in terms of this policy provided that the aforesaid qualifying score:
    - a) should not be generic but be determined separately for each bid on a case by case basis; and
    - b) should not be prescribed so low that it may jeopardize the quality of the service or works required nor be so high that it may be restrictive to the extent that it jeopardizes the fairness of the supply chain management system;
    - c) the fact that no bid will be regarded as an acceptable bid if the bidder or the goods, services and/or works to be procured, as the case may be, fails to achieve the minimum qualifying score for functionality as indicated in the invitation to bid and the relevant bid specification or terms of reference; and
    - d) that bids that have achieved the minimum qualification score for functionality will be evaluated further in terms of the preference point systems.
- (5) Any system designed in terms of this paragraph shall take cognizance of the provisions of this policy.

## **Part 2: Acquisition management**

### **11. System of acquisition management**

- (1) The accounting officer must implement an efficient system of acquisition management in order to ensure -
  - (a) that goods, services and works are procured by the municipality in accordance with authorized processes only;
  - (b) that expenditure on goods, services and works is incurred in terms of an approved budget in terms of section 15 of the Act;
  - (c) that the threshold values for the different procurement processes are complied with;
  - (d) that bid documentation, evaluation and adjudication criteria and the general conditions of a contract, are in accordance with any applicable legislation; and
  - (e) that any Treasury guidelines on acquisition management are properly taken into account.

- (2) When procuring goods or services from an organ of state as contemplated in section 110 (2) of the Act, the accounting officer must make public the fact that such goods or services are procured otherwise than through the municipality's supply chain management system, including -
- (a) the kind of goods or services; and
  - (b) the name of the supplier.

## 12. Range of procurement processes

- (1) Goods and services may only be procured by way of -
- (a) petty cash purchases up to a transaction value of R2,000 (VAT included) at such locations as may be determined by the accounting officer;
  - (b) at least one written quotation for procurements of a transaction value up to R2, 000 (VAT included);
  - (c) formal written quotations for procurements of a transaction value over R2,000 up to R30,000 (VAT included);
  - (d) All quotes ranging from R0.00 to R 30 000(Vat Inclusive) for goods or services **MUST** be sourced from service providers or suppliers who resides within Kouga Area (*that would be covering all the 15 Wards of Kouga Local Municipality*). If services providers or suppliers of Kouga Area are unable to provide such service or good, proof indicating such must be provided to SCM Unit. Thereafter an invite to request quotations will be extended to service providers or suppliers who are coming outside of the boundaries of Kouga Local Municipality. This application is in line with Local Economic Development and the Ward Development Fund Policy of KLM. The following must however be considered for the preferred quote:
    - (i) Value for money.
    - (ii) Price/s offered must be market related
- Where SCM Unit has found the prices to be not market related, the Supply Chain Manager or person subdelegated is entitled to negotiate with the preferred service provider up to and including the third service provider who quoted. Where the quoted price remains to be not market related, the SCM Manager must report such to the Chief Financial Officer for adjudication.
- (e) formal written price quotations for procurements of a transaction value over R30,000 up to R200,000 provided that, in addition to any other relevant requirements contained in this policy, procurement invitations shall be advertised for at least seven days on the website and an official notice board of the municipality;
  - (f) a competitive bidding process for -
    - (i) procurements above a transaction value of R200 000 (VAT included); and
    - (ii) the procurement of long-term contracts.

- (2) The accounting officer may, in writing:
- (a) lower but not increase, the different threshold values specified in subparagraph (1) above; or
  - (b) direct that written or verbal quotations be obtained for any specific procurement of a transaction value lower than R2000;
  - (c) direct that formal written price quotations be obtained for any specific procurement of a transaction value lower than R10 000; or
  - (d) direct that a competitive bidding process be followed for any specific procurement of a transaction value lower than R200 000.
- (3) Procurement invitations may not deliberately be split into parts or items of a lesser value than the threshold amounts referred to in subparagraph (1) merely to avoid compliance with the requirements of this policy or any applicable legislation. When determining transaction values, a requirement for goods, services or works consisting of different parts or items must, as far as possible, be treated and dealt with as a single transaction.

### **13. General preconditions for consideration of written quotations or bids**

- (1) A written quotation or bid may not be considered unless the bidder who submitted the quotation or bid concerned -
- (a) has furnished his -
    - (i) full name or names including trading name;
    - (ii) identification number or company or other registration number;
    - (iii) tax reference number and VAT registration number, if any;
  - (b) has provided the municipality with a valid tax clearance certificate from the South African Revenue Services stating that his tax matters are in order;
  - (c) has, where applicable, provided the municipality with a clearance certificate from the Construction Industry Development Board to the effect that he holds a valid registration certificate issued by the Board;
  - (d) has provided the municipality with a "Certificate of Independent Bid Determination" on Form MBD 9 or a similar form;
  - (e) has provided a certificate issued by the municipality or any other municipality to which he may be indebted to the effect that he and, in the event of the bidder being a company, also any of its directors, is not indebted to the municipality or to any other municipality or municipal entity for rates, taxes and/or municipal service charges which are in arrear for a period of more than three months and that no dispute exists between such bidder and municipality or municipal entity concerned in respect of any such arrear amounts;

- (f) has submitted an affidavit certifying -
- (i) that he is not in the service of the state or has been in the service of the state in the previous twelve months;
  - (ii) that, in the event of the bidder not being a natural person, none of its directors, managers, principal shareholders or stakeholders are in the service of the state nor have they been in the service of the state in the previous twelve months;
  - (iii) that neither his spouse, child or parent nor a director, manager, shareholder or stakeholder referred to in subparagraph (ii) is in the service of the state or has been in the service of the state in the previous twelve months;
  - (iv) that he is not an advisor or consultant contracted by the municipality to advise it on the procurement under consideration;

(2) This paragraph must be read in conjunction with paragraph 21 of this policy.

#### **14. Lists of accredited prospective providers of KLM**

- (1) The accounting officer through the office the SCM Manager must -
- a. keep a list of accredited prospective providers who is also registered on the Centralized Supplier Database of goods and services that must be used for procurements through written or verbal quotations and formal written price quotations; and
  - b. at least once a year through newspapers commonly circulating locally, the municipal website and any other appropriate ways, invite prospective providers of goods or services to apply for evaluation and listing as accredited prospective providers;
  - c. specify the listing criteria for accredited prospective providers; and
  - d. disallow the listing of any prospective provider whose name appears on the National Treasury's database as a person prohibited from doing business with the public sector.
  - e. the accounting officer shall disallow the registration of any prospective supplier on the KLM's Supplier Database who does not comply with the requirements of the Supplier Registration Application.
  - f. the accounting officer shall disallow the registration of any prospective supplier whose name appears on the National Treasury's Database of Restricted Suppliers and/or Register for Tender Defaulters and who is therefore prohibited from doing business with the public sector.
  - g. bidders who are not registered on the KLM's Supplier Database are not precluded from submitting bids but must however register when called upon to do so.

- h. all persons forming part of a Joint Venture or Consortium must comply with the requirements of KLM database form
  - i. in addition to the requirements of the KLM's Supplier Database, it is a requirement for all Suppliers to be registered on the National Treasury Web Based Central Supplier Database (CSD) that can be accessed at <https://secure.csd.gov.za>.
  - j. the CSD is the national standardized and centralized electronic supplier database administered by the National Treasury which provides information to an organ of state.
  - k. bidders who are not registered on the CSD are not precluded from submitting bids but must however register with CSD and get the CSD Number prior to submitting or the closing date, this must be taken under the good spirit of service deliver. Therefore, waiting for a CSD registration from a prospective bidder after the closing date of a quote or bid is not ideal for operational requirements. Therefore, a quoter that meets all the minimum requirements will be considered provided that such quote/bidder is registered on CSD. This is inline with Treasury Instruction Note 4A of 216/2017, paragraph 3.4 and 3.5
  - l. prospective suppliers or service provider's database will be accepted by KLM if the prospective bidder is not registered with CSD.
- (2) The aforesaid list must be updated at least quarterly to include any additional prospective providers and any new commodities or types of services. Prospective providers must be allowed to submit applications for listing at any time.

## 15. Petty cash purchases

- (a) The transactional value of an individual petty cash purchase is R2,000 VAT included. That the total petty cash float is R10, 000 VAT included.
- (b) Petty cash purchases may only be made in accordance with the Standard Operating Procedures for Petty Cash of the municipality.
- (c) The accounting officer may delegate responsibility for the management of petty cash to an official directly or indirectly reporting to the chief financial officer.
- (d) No item that is an approved stores item may be purchased by means of a petty cash transaction.
- (e) No fixed asset regardless of value may be purchased through petty cash.
- (f) The council must, from time to time, determine the maximum amount of the permissible petty cash expenditure per month;

- (g) A weekly reconciliation report must be provided to the chief financial officer within five days of the end of each month by the official authorized to make petty cash purchases and such report shall contain particulars of each final award made by such official during that month, including:
- (i) the total amount of petty cash purchases for that month; and
  - (ii) receipts and supporting documents for each purchase.

#### **16. Written or verbal price quotations**

The conditions for the procurement of goods or services through written or verbal quotations are as follows:

- (a) Quotations must be obtained from at least three different providers preferably from, but not limited to, providers whose names appear on the Centralised Supplier Database and is listed on the accredited prospective providers of the municipality, provided that if quotations are obtained from providers who are not so listed, such providers must meet the listing criteria determined by the accounting officer in terms of paragraph 14(1)(c) of this policy;
- (b) To the extent feasible, providers must be requested to submit such quotations in writing;
- (c) If it is not possible to obtain at least three quotations, the reasons for such inability must be recorded on the invitation to submit quotations and be brought to the attention of the Chief Financial Officer for consideration and subsequently for approval by the Accounting Officer and be reported quarterly. Such inability can only be in terms of the following paragraphs of this policy.
  - 1) Paragraph 2(3) (a) to (e)
  - 2) Paragraph 36(deviation) and the reason for such must be fully motivated
- (d) The designated officer must record the names of the potential providers requested to provide quotations with their quoted prices; and
- (e) If a quotation was submitted verbally, the order may be placed only against written confirmation of the price and conditions of supply from the selected provider within the period stipulated in the invitation to submit quotations.

#### **17. Formal written price quotations**

The conditions for the procurement of goods or services through formal written price quotations, are as follows:

- (a) Quotations must be obtained in writing from at least three different providers whose names appear on the Centralised Supplier Database and the accredited list of prospective providers of the municipality;
- (b) In the event of it not being possible to obtain quotations from at least three different providers whose names appear on the list of accredited prospective providers of the municipality, quotations may be obtained from providers who are not so listed, provided that such providers meet the listing criteria determined by the accounting

officer in terms of paragraph 14(1)(c) of this policy and, provided further, that the reasons for obtaining such quotations from the providers concerned must be recorded on the invitation to submit quotations and be brought to the attention of the chief financial officer and eventually for approval by the accounting officer. That must be read in line or in terms paragraph 16(c).

#### **18. Procedures for procuring goods or services through written or verbal quotations and formal written price quotations**

The procedure for the procurement of goods or services through written or verbal quotations or formal written price quotations is as follows:

- (a)** When using the list of accredited prospective providers who is listed on the Centralised Supplier Database, the accounting officer must promote ongoing competition amongst providers by inviting providers to submit quotations on a rotation basis;
- (b)** All requirements in excess of R30 000 (VAT included) that are to be procured by means of formal written price quotations must, in addition to the requirements of paragraph 17, be advertised for at least seven days on the website of and on the official notice board of the municipality;
- (c)** Offers received must be evaluated on a comparative basis taking into account unconditional discounts;
- (d)** Offers below R30 000 (all taxes included) must be awarded based on compliance with specifications, conditions of contract, ability, capacity and capability to deliver the required goods and/or services and lowest price; provided that the accounting officer may direct, in appropriate cases, that the applicable provisions of the Preferential Procurement Regulations be applied in respect of the calculation of preference points for price;
- (e)** Offers above R30 000 (all applicable taxes included) must be awarded based on compliance with specifications, conditions of contract, ability, capacity and capability to deliver the required goods and/or services and lowest price provided that the accounting officer may direct, in appropriate cases, that the applicable provisions of the Preferential Procurement Regulations be applied in respect of the calculation of preference points for price;
- (f)** Prior to the award of a contract with a price in excess of R10 000, the designated official must verify the status of recommended bidders (including their directors(s), owners(s) or trustee(s) by checking the Data Base of Restricted Suppliers maintained by National Treasury in order to ensure that no recommended bidder or any of its directors/owners/trustees are listed as companies or persons prohibited from doing business with the public sector;
- (g)** A call for quotations in terms of the preceding paragraphs must be in writing and contain a specification for the goods and/or services to be procured as well as details of the preference points system to be used in adjudicating quotations;
- (h)** The designated official must, in writing, notify the chief financial officer within 3 days after the end of each month of all written, verbal and formal written price quotations accepted or approvals given in terms of this paragraph;

- (i) The chief financial officer must ensure that adequate systems are in place to meet the requirements for proper record keeping;
- (j) Upon finalization of the evaluation and the bidder who scored the highest total number of points is identified, the preferred bidder must be assessed to determine if the bidder is from the Kouga Local Municipal Area. Where the preferred bidder is not from the Kouga Local Municipal Area, bidders who scored within 10 points of the score obtained by the preferred bidder must be assessed to determine if the bidder is from the Kouga Local Municipal Area. Where there are bidders from the Kouga Local Municipal Area, these bidders must be further assessed to ensure that the bidders' price is within 10% of the price of the preferred bidder. Where there are bidders who meet these criteria, the bidder with the lowest price from the Kouga Local Municipal Area must be recommended for the award of the tender. Where there is no bidder from the Kouga Local Municipal Area, the contract must be awarded to the bidder who scored the highest total number of points (As required in terms of the SMME Policy);
- (k) The procurement contract must be awarded to the bidder who scored the highest points in accordance with the stipulated preference points system, subject to paragraph 18 (j) above.

#### **19. Competitive bidding process**

- (1) Subject to paragraph 11 (2) of this policy, goods, services or works above a transaction value of R200 000 (VAT included) and long-term contracts may only be procured through a competitive bidding process.
- (2) Subject to subparagraph (3), no requirement for goods or services above an estimated transaction value of R200 000 (VAT included) may deliberately be split into parts or items of lesser value merely for the sake of procuring the goods or services otherwise than through a competitive bidding process.
- (3) The accounting officer may split unduly large quantities of work into smaller contracts (units) to promote manageability and provide opportunities for emerging entrepreneurs. This procedure may only be followed when technically, logistically and financially feasible.
- (4) A senior manager responsible for a vote must submit the under-mentioned information to the chief financial officer prior to the publication of any public invitation of bids in respect of procurements estimated to exceed R10m (all taxes included):
  - (i) proof that budgetary provision exists for the procurement concerned;
  - (ii) details of any ancillary budgetary implications related to the bid concerned;
  - (iii) details of any multi-year budgetary implications associated with a project which will be undertaken over a period of more than one year as well as details of the anticipated expenditure per financial year.
- (5) A procurement referred to in subparagraph (4) may only be advertised for competitive bids after the chief financial officer has verified in writing that budgetary provisions exist to enable the relevant project to commence.

- (6) Procurement requirements referred to in subparagraph (4) may not be deliberately split into parts or items of lesser value merely to avoid the information being submitted.

## **20. Process for competitive bidding**

The procedures for the following stages of a competitive bidding process are as follows:

- (a) Compilation of bidding documentation as detailed in paragraph 21;
- (b) Public invitation of bids as detailed in paragraph 22;
- (c) Site meetings or briefing sessions as detailed in paragraph 22;
- (d) Handling of bids submitted in response to public invitation as detailed in paragraph 23;
- (e) Evaluation of bids as detailed in paragraph 28;
- (f) Award of contracts as detailed in paragraph 29;
- (g) Administration of contracts - after the award of a bid, the accounting officer and the bidder must enter into a written agreement.
- (h) Proper record keeping;
- (i) Original/legal copies of written contracts agreements should be kept in a secure place for reference and audit purposes.

## **21. Bid documentation for competitive bids**

Bid documentation for a competitive bidding process must, in addition to compliance with the requirements listed in paragraph 14, comply with the following requirements:

- (a) Take into account -
  - (i) the general conditions of contract and any special conditions of contract, if specified;
  - (ii) any Treasury guidelines on bid documentation;
  - (iii) the requirements of the Construction Industry Development Board, in the case of a bid relating to construction works;
  - (iv) relevant B-BBEE verification and certification requirements;
  - (v) relevant local content or production requirements.
- (b) Include the preference points system to be used in adjudicating bids, namely 80/20 or 90/10 as prescribed in the Preferential Procurement Regulations;
- (c) Compel bidders to declare, by means of an affidavit, any conflict of interest they may have in the transaction for which the bid is submitted;
- (d) If the value of the transaction is expected to exceed R10 million (VAT included), require bidders to furnish -

- (i) if the bidder is required by law to prepare annual financial statements for auditing, his audited annual financial statements -
    - (a) for the past three years; or
    - (b) since establishment, if established during the past three years;
  - (ii) a certificate signed by the bidder certifying that he has no undisputed commitments for municipal services towards a municipality or other service provider in respect of which payment is overdue for more than 30 days;
  - (iii) particulars of any contracts awarded to the bidder by an organ of state during the past five years, including particulars of any material non-compliance or dispute concerning the execution of such contracts;
  - (iv) a statement indicating whether or not any portion of the goods or services required by the municipality are expected to be sourced from outside the Republic, and, if so, what portion and also whether or not any portion of the payment to be made by the municipality is expected to be transferred out of the Republic; and
- (e) Stipulate that disputes must be settled by means of mutual consultation, mediation (with or without legal representation), or, when unsuccessful, in a South African court of law.

## **22. Public invitation for competitive bids**

- (1) The procedure for the invitation of competitive bids is as follows:
- (a) any invitation to prospective providers to submit bids must be by means of a public advertisement in newspapers commonly circulating locally, the National Treasury E-tender Portal, website of the municipality and in any other appropriate manner (which may include an advertisement in the Government Tender Bulletin); and
  - (b) the information contained in such public advertisement, must include -
    - (i) subject to subparagraph 2, the closure date for the submission of bids, which may not be less than 30 days in the case of transactions over R10 million (VAT included) or which are of a long term nature or 14 days in any other case, reckoned from the date on which the advertisement is first placed in the aforesaid newspapers;
    - (ii) a statement that bids may only be submitted on the bid documentation provided by the municipality; and
    - (iii) the date, time and venue of any compulsory site meeting or briefing session if applicable;
    - (iv) a statement to the effect that a bid from a prospective bidder who did not attend a prescribed compulsory site meeting or briefing session referred to in subparagraph (iii) will not be considered.

- (2) The accounting officer may determine a closure date for the submission of bids which is less than the 30 or 14 days requirement, but only if such shorter period can be justified on the grounds of urgency or emergency or in any exceptional case where it is impractical or impossible to follow the official procurement process and such fact shall, for auditing purposes, be recorded in the authority to invite bids.
- (3) Bids submitted must be sealed and marked in a manner stipulated in the invitation to bid.
- (4) Where bids are requested in electronic format, such bids must be supplemented by sealed hard copies which must reach the accounting officer before the closing time for the receipt of bids on the bid closing date as stipulated in the invitation to bid.
- (5) Communication with bidders, The Bid Specification Committee may, if necessary, authorize communication with bidders prior to bids closing.
- (6) Any communication authorized by the Bid Specification Committee, which has implications of consequence for all tenderers, shall be in the form of a written notice be issued to all bidders by the Manager: Supply Chain Management, or his nominee, by either e-mail, facsimile, or registered post as appropriate. A copy of the notice together with a transmission verification report/proof of posting shall be kept for record purposes. Notices should be issued at least one week prior to the bid closing date, where possible. That is also regulated by CIDB for construction related projects.
- (7) Notwithstanding a request for acknowledgement of receipt of any notice issued, the bidder will be deemed to have received such notice if the procedures in clause 22(6) have been complied with.

### **23. Procedure for handling, opening and recording of bids**

The procedures for the handling, opening and recording of bids, are as follows:

- (a) Bids -
  - (i) must be opened only in public;
  - (ii) must be opened at the same time and as soon as possible after the published closing time or period for the submission of bids; and
  - (iii) received after the published closing time or period should not be considered and be immediately returned to the bidder, unopened;
- (b) Any bidder or member of the public has the right to request that the names of the bidders who submitted bids before the closing time or period be read out and, if practical, also each bidder's total bidding price;
- (c) No information, except the information referred to in subparagraph (b), relating to a bid should be disclosed to bidders or other persons until the successful bidder is notified of the award of the relevant bid; and
- (d) The designated official opening received bids must -record in a register to be provided for this purposes, all bids received before the closing time or period for the submission of same and such register shall contain as least the following information in addition to such information as may be prescribed in terms of section 75 of the Act:

- (a) the reference number of the bid concerned;
  - (b) the description of the relevant goods, services or works project to be procured;
  - (c) the names of all bidders;
  - (d) where practical, the total price submitted by all bidders that submitted bids in relation to the relevant bid invitation;
- (ii) make the aforesaid register available for public inspection during the normal office hours of the municipality; and
  - (iii) publish the entries in the aforesaid register including the B-BBEE Status level of Contribution of all bidders, where applicable, available on the website of the municipality within ten (10) working days from the date referred to in subparagraph (i) and ensure that such entries remain on the website for a period of at least thirty (30) days from date of publication.

#### **24. Negotiations with preferred bidders**

- (1) The accounting officer may negotiate the final terms of a contract with bidders identified through a competitive bidding process as preferred bidders, provided that such negotiation -
  - (a) does not allow any preferred bidder a second or unfair opportunity;
  - (b) is not to the detriment of any other bidder; and
  - (c) does not lead to a higher price than the bid as submitted; and
  - (d) will not be contrary to any legal requirement or amount to a prohibited practice.
- (2) Minutes of such negotiations must be kept for record for audit purposes.

#### **25. Two-stage bidding process**

- (1) A two-stage bidding process is permissible for -
  - (a) large complex projects;
  - (b) projects where it may be undesirable to prepare complete detailed technical specifications; or
  - (c) long term projects with a duration period exceeding three years.
- (2) In the first stage, technical proposals on conceptual design or performance specifications should be invited, subject to technical as well as commercial clarifications and adjustments.
- (3) In the second stage, final technical proposals and priced bids should be invited.

## **26. Committee system for competitive bids**

- (1)** The accounting officer shall establish a procurement committee system for competitive bids consisting of at least the following committees:
  - (a)** a bid specification committee;
  - (b)** a bid evaluation committee; and
  - (c)** a bid adjudication committee;
- (2)** The accounting officer shall, in writing, appoint the members of each committee in respect of each competitive bid invitation, taking into account the provisions of section 117 of the Act in terms of which no councillor may be a member of any such committee nor attend any of its meetings as an observer.
- (3)** A neutral or independent observer, appointed by the accounting officer, may attend or oversee a committee when this is appropriate for ensuring fairness and promoting transparency.
- (4)** The committee system must be consistent with -
  - (a)** paragraphs 27, 28 and 29 of this policy; and
  - (b)** any other applicable legislation.
- (6)** The accounting officer may, in appropriate cases and in his sole discretion, apply the committee system to formal written price quotations.
- (7)** That Manager: Supply Chain Management through the office of Director: Finance (CFO) must submit a summary report of all Bid Committee Meetings to the Finance Portfolio Committee and the Mayoral Committee Meetings.
- (7)** That members of the public be allowed to attend Bid Adjudication Committee Meetings.
- (8)** To give effect to subsection (7) above, the Director: Corporate Services & Special Projects must place notices in the local newspapers, on the municipal website and notice boards, inviting the members of the public to attend.

## **27. Bid specification committees**

- (a)** A bid specification committee must compile the specifications or, where applicable, the terms of reference for the procurement of goods, services or works by the municipality.
- (b)** The Bid Specification Committee shall be comprised of at least two KLM officials as members, consisting of an appointed Chairperson and a responsible technical official. The Supply Chain Management Practitioner serves in an advisory capacity. No bid committee meeting shall proceed without an SCM practitioner. Disagreements on the advice provided by the Supply Chain Management Practitioner must be dealt with in terms of the Rule of Order for Bid Committees and be recorded accordingly.

- (c) No person, advisor or corporate entity involved with the bid specification committee or director of such a corporate entity may bid for any resulting contracts.
- (d) Where a bid specification or terms of reference are compiled with due regard to the findings and recommendations contained in a prior, associated feasibility study, the person, advisor or corporate entity who or which prepared the said feasibility study may be prohibited from bidding for the resulting contracts in circumstances where such person, advisor or corporate entity may or is likely to obtain an unfair advantage or where a conflict of interest may arise.
- (e) A specification or terms of reference referred to in this paragraph must be approved by the accounting officer in writing prior to publication of the invitation for bids in terms of paragraph 22.
- (f) The Municipal Manager, or his delegated authority, shall, taking into account section 117 of the MFMA, appoint the members of the Bid Specification Committees
- (g) Where appropriate a representative of Internal Audit and/or Legal Services and/or other specialist advisors (internal or external) may form part of this committee.

## **27.A Bid Specifications or Terms of Reference**

### **27.1 General Requirements**

Bid Specifications or terms of reference, as the case may be -

- (a) must be drafted in an unbiased manner to allow all potential suppliers to offer their goods or services to the municipality;
- (b) must take account of any accepted standards such as those issued by Standards South Africa, the International Standards Organization or an authority accredited or recognized by the South African National Accreditation System with which the equipment or material or workmanship should comply;
- (c) must, where possible, be described in terms of performance required rather than in terms of descriptive characteristics for design;
- (d) may not create trade barriers in contract requirements in the forms of specifications, plans, drawings, designs, testing and test methods, packaging, marking or labelling of conformity certification;
- (e) may not make reference to any particular trade mark, name, patent, design, type, specific origin or producer unless there is no other sufficiently precise or intelligible way of describing the characteristics of the work, in which case such reference must be accompanied by the word **“equivalent”**
- (f) If the bid relates to construction works as contemplated by the Construction Industry Development Board Act, then the requirements of that Act must be taken into account in the bid documentation together with any Circulars published by National Treasury and the National Treasury Standard for Infrastructure Delivery Management System (SIPDMS) to the extent adopted by Council.

- (g) The bid documentation and evaluation criteria shall not be aimed at hampering competition, but rather to ensure fair, equitable, transparent, competitive and cost effective bidding, as well as the protection or advancement of persons, or categories of persons, as embodied in the preferential procurement section of this Policy.

## **27.2 Identification of preference point system, designated sector, objective criteria and subcontracting**

### 27.2.1. The Municipality must

- a) determine and stipulate in the tender documents(i) the preference point system applicable to the tender as envisaged in regulation 6 or 7; or(ii) if it is unclear which preference point system will be applicable, that either the 80/20 or 90/10 preference point system will apply and that the lowest acceptable tender will be used to determine the applicable preference point system;
- b) determine whether pre-qualification criteria are applicable to the tender as envisaged in regulation 4;
- c) determine whether the goods or services for which a tender is to be invited, are in a designated sector for local production and content as envisaged in regulation 8;
- d) determine whether compulsory subcontracting is applicable to the tender as envisaged in regulation 9; and
- e) determine whether objective criteria are applicable to the tender as envisaged in regulation 11.

## **27.3 Pre-qualification criteria for Preferential Procurement**

### **27.3.(1)**

If an organ of state decides to apply pre-qualifying criteria to advance certain designated groups, that organ of state must advertise the tender with a specific tendering condition that only one or more of the following tenderers may respond.

- (a) a tenderer having a stipulated minimum B-BBEE status level of contributor;
- (b) an EME or QSE;
- (c) a tenderer subcontracting a minimum of 30% to
  - (i) an EME or QSE which is at least 51% owned by black people;
  - (ii) an EME or QSE which is at least 51% owned by black people who are youth;
  - (iii) an EME or QSE which is at least 51% owned by black people who are women;
  - (iv) an EME or QSE which is at least 51% owned by black people with disabilities;
  - (v) an EME or QSE which is 51% owned by black people living in rural or underdeveloped areas or townships;
  - (vi) a cooperative which is at least 51% owned by black people;
  - (vii) an EME or QSE which is at least 51% owned by black people who are military veterans; (viii) an EME or QSE.

- (2) A tender that fails to meet any pre-qualifying criteria stipulated in the tender documents is an unacceptable tender

## **27.4 Functionality**

Where functionality is utilized as an evaluation criterion, bid specifications or terms of

reference, as the case may be, must clearly specify:

- (i) if the tender will be evaluated on functionality
- (ii) The evaluation criteria for measuring functionality must be objective.
- (iii) The tender documents must specify
  - a) the evaluation criteria for measuring functionality;
  - b) the points for each criteria and, if any, each sub-criterion; and the minimum qualifying score for functionality.
  - c) Where functionality is included in a tender document, "locality" i.e. geographic location of the bidder must be included as a criteria at 25% of the total points for functionality. This is to promote local economic development in relation to the SMME Policy of the Municipality.
- (iv) the minimum qualifying score for functionality for a tender to be considered further
  - a) must be determined separately for each tender; and
  - b) may not be so(i) low that it may jeopardize the quality of the required goods or services; or (ii) high that it is unreasonably restrictive.
- (iii) Points scored for functionality must be rounded off to the nearest two decimal places.
- (iv) A tender that fails to obtain the minimum qualifying score for functionality as indicated in the tender documents is not an acceptable tender.
- (v) Each tender that obtained the minimum qualifying score for functionality must be evaluated further in terms of price and the preference point system and any objective criteria.

## 27.5 80/20 Preference Points System

(5.1) Where applicable, bid documentation must include the following preference points evaluation system for the procurement of goods, services or works up to a Rand value of R50 million (all applicable taxes included):

- (i) the following formula will be used to calculate the points for price in respect of bids (including price quotations) with a Rand value equal to, or above R 30 000 and up to a Rand value of R50 million (all applicable taxes included):

$$P_s = 80 \left[ 1 - \frac{P_t - P_{min}}{P_{min}} \right]$$

Where:

$P_s$  = Points scored for comparative price of bid or offer under consideration;

$P_t$  = Comparative price of bid or offer under consideration; and

$P_{min}$  = Comparative price of lowest acceptable bid or offer.

- (ii) subject to subparagraph (iii), points must be awarded to a bidder for attaining the B-BBEE status level of contributor in accordance with the following tables:

B-BBEE Status Level of Contributor	Number of Points
1	20
2	18
3	14
4	12
5	8
6	6
7	4
8	2
Non-compliant contributor	0

- (iii) a maximum of 20 points may be allocated under subparagraph (ii);
- (iv) the points scored by a bidder in respect of B-BBEE contribution contemplated in subparagraph (ii) must be added to the points scored for price as calculated in accordance with subparagraph (i);
- (5.2) A tenderer must submit proof of its B-BBEE Status level of contributor**
- (5.3) A tender failing to submit proof of B-BBEE status level of contributor or is a non-compliant contributor to B-BBEE may not be disqualified, but –
- (a) May only score points out of 80 for price
- (b) Scores 0 out of 20 for -B-BBEE.
- (5.4) A tenderer may not be awarded points for B-BBEE Status level of contributor if the tender documents indicate that the tenderer intends subcontracting more than 25% of the value of the contract to any other person not qualifying for at least the points the tenderer qualifies for, unless the intended subcontractor is an EME that has the capability to execute the subcontract.
- (5.5) The points scored must be rounded off to the nearest two decimal places.
- (5.6) Subject to sub regulation (3.7) , the contract must be awarded to the tenderer scoring the highest points.
- (5.7) (a) If the price offered by the tenderer scoring the highest points is not market related, the organ of state may not award the contract to that tenderer.
- (5.7) (b) the organ of state may-
- (i) negotiate a market related price with the tenderer scoring the highest points or cancel the tender.
- (ii) if the tender does not agree to a market related prices, negotiate a market-related price with the tenderer scoring the second highest scoring points or cancel the tender;
- (iii) if the tender scoring the second highest points does not agree to a market related prices, negotiate a market- related price with the tenderer scoring the third highest scoring points or cancel the tender;

- (5.8) (c) If the market- related price is not agreed as envisaged in paragraph 5.7 (b), the organ of state must cancel the tender.

## 27.6 90/10 Preference Points System

(6.1) Where applicable, bid documentation must include the following preference points evaluation system for the procurement of goods, services or works with a Rand value above R50 million (all applicable taxes included):

- (i) the following formula will be used to calculate the points for price in respect of bids with a Rand value above R50 million (all applicable taxes included):

$$Ps = 90 \left[ 1 - \frac{Pt - Pmin}{Pmin} \right]$$

Where:

Ps = Points scored for comparative price of bid or offer under consideration;

Pt = Comparative price of bid or offer under consideration; and

Pmin = Comparative price of lowest acceptable bid or offer.

- (ii) subject to subparagraph (iii), points must be awarded to a bidder for attaining the B-BBEE status level of contributor in accordance with the following tables:

B-BBEE Status Level of Contributor	Number of Points
1	10
2	9
3	6
4	5
5	4
6	3
7	2
8	1
Non-compliant contributor	0

- (iii) a maximum of 10 points may be allocated under subparagraph (ii);
- (iv) the points scored by a bidder in respect of B-BBEE contribution contemplated in subparagraph (ii) must be added to the points scored for price as calculated in accordance with subparagraph (i);

- (6.2) **A tenderer must submit proof of its B-BBEE Status level of contributor**  
( 6.3) A tender failing to submit proof of B-BBEE status level of contributor or is a non-compliant contributor to B-BBEE may not be disqualified, but –  
(c) May only score points out of 90 for price

- (d) Scores 0 out of 10 for -B-BBEE.
- (6.4) A tenderer may not be awarded points for B-BBEE Status level of contributor if the tender documents indicate that the tenderer intends subcontracting more than 25% of the value of the contract to any other person not qualifying for at least the points the tenderer qualifies for, unless the intended subcontractor is an EME that has the capability to execute the subcontract.
- (6.5) The points scored must be rounded off to the nearest two decimal places.
- (6.6) Subject to sub regulation (4.7), the contract must be awarded to the tenderer scoring the highest points.
- (6.7) (a) If the price offered by the tenderer scoring the highest points is not market related, the organ of state may not award the contract to that tenderer.
- (6.7) (b) the organ of state may-
- (i) negotiate a market related price with the tenderer scoring the highest points or cancel the tender
  - (ii) if the tender does not agree to a market related prices, negotiate a market- related price with the tenderer scoring the second highest scoring points or cancel the tender;
  - (iii) if the tender scoring the second highest points does not agree to a market related prices, negotiate a market- related price with the tenderer scoring the third highest scoring points or cancel the tender;
- (6.7) (c) If the market- related price is not agreed as envisaged in paragraph 6.7 (b), the organ of state must cancel the tender.

## 27.7 Local Production

- (7.1) Where, in the case of bids in designated sectors, local production and content is of critical importance, the relevant bid documentation must clearly state, as a bid condition, that only locally produced goods, services or works or locally manufactured goods, with a stipulated minimum threshold for local production and content, will be considered.
- (7.2) The relevant bid documentation must also stipulate:
- (a) that the exchange rate to be used for the calculation of local content or local production will be the exchange rate published by the South African Reserve Bank at 12:00 on the date, one week (7 calendar days) prior to the closing date of the invited bid;
  - (b) that only the South African Bureau of Standards (SABS) approved technical specification number SATS 1286:201x will be used to calculate local content in accordance with the following formula:

$$LC = 1 - \frac{X}{Y} \times 100$$

Where

x imported content

y bid price excluding value added tax (VAT)

and that the prices referred to in the determination of x must be converted to Rand (ZAR) by using the exchange rate published by the South African Reserve Bank at 12:00 on the date, one week (7 calendar days) prior to the closing date of the bid;

- (c) that Form MBD 6.2 (Declaration Certificate for Local Content) issued by National Treasury, duly completed and signed, must form part of the bid documentation;
  - (d) that the municipality reserves the right to verify the accuracy of the rates of exchange quoted by the bidder in paragraph 4.1 of the aforesaid Certificate.
- (7.3) The accounting officer may decide to include in any bid documentation a specific bidding condition that only locally produced goods, services or works or locally manufactured goods with a stipulated minimum threshold for local production and content will be considered on condition that such prescript and threshold(s) are in accordance with the specific directives issued for this purpose by National Treasury in consultation with the Department of Trade and Industry and, in such event, the requirements stipulated in subparagraph 5.2 shall be inserted in the relevant bid documentation.
- (7.4) Where necessary, bid documentation for bids referred to in subparagraph 5.1 may state that a two- stage bidding process will be followed, where the first stage will involve functionality and minimum threshold for local production and content and the second stage price and B-BBEE status with the possibility of price negotiations only with the short listed bidders with a view to effecting cost savings in circumstances where the tendered prices are obviously inflated or to ensure the award of the bid concerned within budgetary constraints provided that, where such negotiations take place, the principles contained in paragraph 25.1 of this policy shall be applied.
- (7.5) Any bid specification issued in terms of this subparagraph must be capable of being measured and audited.
- (7.6) A tender that fails to meet the minimum stipulated threshold for local production and content is an unacceptable tender.

## **27.8 Additional Conditions**

Bid documentation must include a reference to the following additional conditions, where applicable:

### **27.8.1 Award of contracts to tenderers not scoring highest points**

- a) A contract may be awarded to a tenderer that did not score the highest points only in accordance with section 2(1)(f) of the Act.
- b) If an organ of state intends to apply objective criteria in terms of section 2(1)(f) of the Act, the organ of state must stipulate the objective criteria in the tender documents.

### **27.8.2 Sub-contracting as condition of tender**

- I. If the municipality applies subcontracting as contemplated in subregulation (1), the municipality must advertise the tender with a specific tendering condition that the successful tenderer must subcontract a minimum of 30% of the value of the contract to

- a) an EME or QSE
  - b) an EME or QSE which is at least 51% owned by black people;
  - c) an EME or QSE which is at least 51% owned by black people who are youth;
  - d) an EME or QSE which is at least 51% owned by black people who are women;
  - e) an EME or QSE which is at least 51% owned by black people with disabilities;
  - f) an EME or QSE which is 51% owned by black people living in rural or underdeveloped areas or townships;
  - g) a cooperative which is at least 51% owned by black people;
  - h) an EME or QSE which is at least 51% owned by black people who are military veterans; or more than one of the categories referred to in paragraphs (a) to (h).
- II. The municipality must make available the list of all suppliers registered on a database approved by the National Treasury to provide the required goods or services in respect of the applicable designated groups mentioned in sub regulation (iii) from which the tenderer must select a supplier.
- III. The sub-contracting of work is required for all CIDB-related projects in the following ranges:
- a) R 5M>, but < R 10M requires Bidder to sub-contract 10% of the value of the project
  - b) R 10M >, but < R 15M requires Bidder to sub-contract 15% of the value of the project
  - c) R 15 M>, but < R20 requires Bidder to sub-contract 20% of the value of the project
  - d) R 20 M >, but < R 25M requires Bidder to sub-contract 25% of the value of the project
  - e) R 25 > requires Bidder to sub-contract 30% of the value of the project
- IV. The sub-contracting value will be based on the estimated value of the project either determined by the director or project manager. Where the successful bidder's price falls within any other range, the sub-contracting range included in the Bid Document will be applied.
- V. The municipality may include sub-contracting for any other none CIDB related project as may be requested by the Director of the Department to promote local development.
- VI. Community Based Suppliers or service providers/ward-based suppliers or service providers must be considered for subcontracting by the main contractor. The first preference for subcontracting must be given to community or ward-based suppliers of that particular ward where the project is taking place. If the required skill or expertise is not available from the ward / area where the project is taking place, the main contractor is permitted to accept service provers or suppliers within the KLM jurisdiction. Those service provider or suppliers would then contract directly with the main contractor.

### **27.8.3 Subcontracting after award of tender**

- a) A person awarded a contract may only enter into a subcontracting arrangement with the approval of the organ of state.

- b) A person awarded a contract in relation to a designated sector, may not subcontract in such a manner that the local production and content of the overall value of the contract is reduced to below the stipulated minimum threshold.
- c) A person awarded a contract may not subcontract more than 25% of the value of the contract to any other enterprise that does not have an equal or higher B-BBEE status level of contributor than the person concerned, unless the contract is subcontracted to an EME that has the capability and ability to execute the subcontract.

## **27.9 Miscellaneous Special Conditions of Contract**

Bid documentation must, inter alia, include the following conditions as Special Conditions of Contract:

### **27.9.1 General**

- (a) Only a bidder who has completed and signed the declaration part of a bid may be considered;
- (b) When comparative prices must be calculated, any discounts which have been offered unconditionally will be taken into account;
- (c) A discount which has been offered conditionally will, despite not being taken into account for evaluation purposes, be implemented when payment to a bidder in respect of an accepted bid is effected;
- (d) Points scored in any applicable scoring system will be rounded off to the nearest 2 decimal places.
- (e)
  - (i) In the event that two or more bids score equal total points, the successful bid will be the one scoring the highest number of preference points for B-BBEE;
  - (ii) However, when functionality is part of the evaluation process and two or more bids have scored equal points including equal preference points for B-BBEE, the successful bid will be the one scoring the highest score for functionality.
  - (iii) Should two or more bids be equal in all respects, the award shall be decided by the drawing of lots.

### **27.9.2 Declarations**

- (a) A bidder must -
  - I. declare that the information provided in any bid document is true and correct;
  - II. declare that the signatory to a bid document is duly authorized; and
  - III. undertake to submit documentary proof regarding any bidding issue when required to the satisfaction of the municipality.

### 27.9.3 Remedies

1. Upon detecting that a tenderer submitted false information regarding its BBEE status level of contributor, local production and content, or any other matter required in terms of these Regulations which will affect or has affected the evaluation of a tender, or where a tenderer has failed to declare any subcontracting arrangements, the organ of state must:
  1. inform the tenderer accordingly;
  2. give the tenderer an opportunity to make representations within 14 days as to why
    - (i) the tender submitted should not be disqualified or, if the tender has already been awarded to the tenderer, the contract should not be terminated in whole or in part;
    - (ii) if the successful tenderer subcontracted a portion of the tender to another person without disclosing it, the tenderer should not be penalised up to 10 percent of the value of the contract; and
    - (iii) the tenderer should not be restricted by the National Treasury from conducting any business for a period not exceeding 10 years with any organ of state; and
  3. if it concludes, after considering the representations referred to in subregulation (1)(b), that
    - (i) such false information was submitted by the tenderer(a) disqualify the tenderer or terminate the contract in whole or in part; and (bb) if applicable, claim damages from the tenderer; or
    - (ii) the successful tenderer subcontracted a portion of the tender to another person without disclosing, penalize the tenderer up to 10 percent of the value of the contract.
- 1) (2) (a) The Municipality must
  - I. inform the National Treasury, in writing, of any actions taken in terms of sub regulation (1);
  - II. provide written submissions as to whether the tenderer should be restricted from conducting business with any organ of state; and
  - III. submit written representations from the tenderer as to why that tenderer should not be restricted from conducting business with any organ of state.
    1. The National Treasury may request an organ of state to submit further information pertaining to sub regulation (1) within a specified period.
- (3) The National Treasury must:
  - a. after considering the representations of the tenderer and any other relevant information, decide whether to restrict the tenderer from doing business with any organ of state for a period not exceeding 10 years; and
  - b. maintain and publish on its official website a list of restricted suppliers.

### 27.10 Cancellation of Tender

1. The Municipality may, before the award of a tender, cancel a tender invitation if-
  - a) due to changed circumstances, there is no longer a need for the goods, services or construction works requested;

- b) funds are no longer available to cover the total envisaged expenditure;
  - c) no acceptable bids are received;
  - d) there is a material irregularity in the tender process; or
  - e) negotiations have failed with the preferred tenderer up to and including the tenderer who scoring the third highest points where the prices offered is not market related.
2. If it becomes necessary to cancel or re-advertise formal bids, then a report to this effect shall be submitted to the Bid Adjudication Committee for decision. A tender may only be cancelled for a second time with the prior approval of the relevant treasury. Such approval must be attached to the report submitted to the Bid Adjudication Committee.
  3. If a bid has been cancelled, then all bidders must be notified in writing.
  4. A decision to cancel a bid in terms of clause 27.10(a) to (e) above must be published in the media in which the original bid invitation was advertised.
  5. It is not necessary to notify original bidders when calling for new bids, which will be advertised.
  6. Unless no acceptable bids have been received, no bid may be re-advertised before the Bid Adjudication Committee has resolved to cancel the original bid, and all bidders have been notified accordingly.

#### **27.11 Procurement from tertiary institutions**

- (a) Where the municipality is in need of a service provided by only tertiary institutions, such services must be procured through a bidding process with the identified tertiary institutions.
- (b) Should the municipality require a service that can be provided by one or more tertiary institutions or public entities and enterprises from the private sector, the appointment of a contractor will be done by means of a bidding process.
- (c) For purposes of this paragraph, a bidding process includes a written offer in a prescribed or stipulated form in response to an invitation by the municipality for the provision of services, through price quotations, advertised competitive bidding processes or proposals.

#### **27.12 Alternative Bids**

- a) Alternative bids can be submitted provided that an acceptable bid, which complies with the bid conditions and specifications and submitted strictly in accordance with the bid documents, is also submitted.

- b) An alternative bid shall be submitted on a separate complete set of bid documents or in accordance with such conditions as may be set out in the bid document and shall be clearly marked "Alternative Bid" to distinguish it from the acceptable bid referred to above.
- c) All acceptable bids (excluding alternative bids) shall first be evaluated in accordance with the bid conditions and ranked in terms of the preference point system described in the Preferential Procurement section of this policy. Only the alternative of the highest ranked acceptable bid (that is, submitted by the same bidder) may be considered, and if appropriate, recommended for award.
- d) Alternative bids of any but the highest ranked acceptable bid, shall not be considered.
- e) If the alternative bid of the highest ranked acceptable bid is considered to have merit, then the alternative bid shall be ranked along with all of the acceptable bids received.
- f) An alternative of the highest ranked acceptable bid that is priced higher than the first ranked bid may be recommended for award, provided that the ranking of the alternative bid is higher than the ranking of the next ranked acceptable bid.
- g) KLM will not be bound to consider alternative bids.

### **27.13 Samples**

- a) Where samples are called for in the bid documents, samples (marked with the bid and item number as well as the bidder's name and address) shall be delivered separately (to the bid) to the addressee mentioned in the bid documents.
- b) Bids may not be included in parcels containing samples.
- c) If samples are not submitted as required in the bid documents or within any further time stipulated by the KLM in writing, then the bid concerned may be declared non-responsive.
- d) Samples shall be supplied by a bidder at his/her own expense and risk. KLM shall not be obliged to pay for such samples or compensate for the loss thereof, unless otherwise specified in the bid documents, and shall reserve the right not to return such samples and to dispose of them at its own discretion.
- e) If a bid is accepted for the supply of goods according to a sample submitted by the bidder, that sample will become the contract sample. All goods/materials supplied shall comply in all respects to that contract sample.

### **28. Bid evaluation committees**

- (1) A bid evaluation committee must, as far as possible, be composed of-
  - (a) officials from departments requiring the goods, services or works; and
  - (b) at least one supply chain management practitioner of the municipality.

**(2)** A bid evaluation committee must -

- (a)** evaluate bids in accordance with the relevant bid specification or terms of reference, as the case may be, inclusive of unconditional discounts, sub-contracting and this policy; and
- (b)** evaluate each bidder's ability to execute the contract provided that, where bids are invited on the basis of functionality as a criterion, they must be evaluated in the following two stages:

**I. First stage - evaluation of functionality**

- (a)** bids must be evaluated in terms of the evaluation criteria embodied in the bid specification or terms of reference, as the case may be. The amendment of evaluation criteria, weights, applicable values and/or the minimum qualifying score for functionality after the closure of bids is not allowed as this may jeopardize the fairness of the process;
- (b)** a bid will be considered further if it achieves the prescribed minimum qualifying score for functionality;
- (c)** bids that fail to achieve the minimum qualifying score for functionality must be disqualified;
- (d)** score sheets should be prepared and provided to panel members to evaluate the bids;
- (e)** a score sheet should contain all the criteria and the weight for each criterion as well as the values to be applied for evaluation as indicated in the bid specification or terms of reference concerned;
- (f)** each panel member should, after thorough evaluation, independently award his own value to each individual criterion;
- (g)** score sheets should be signed by panel members and if necessary, a written motivation may be requested from panel members where vast discrepancies in the values awarded for each criterion exist, provided that if the minimum qualifying score for functionality is indicated as a percentage in the bid specification or terms of reference, as the case may be, the percentage scored for functionality may be calculated;
- (h)** the value awarded for each criterion should be multiplied by the weight for the relevant criterion to obtain the score for the various criteria;
- (i)** the scores for each criterion should be added to obtain the total score; and
- (j)** the following formula should be used to convert the total score to percentage for functionality:

$$P_s = \frac{S_o}{M_s} \times 100$$

Where:

$P_s$  = percentage scored for functionality by bid under consideration

$S_o$  = total score of bid under consideration

$M_s$  = maximum possible score

(k) the percentage of each panel member should be added and divided by the number of panel members to establish the average percentage obtained by each bidder for functionality.

**(ii) Second stage - Evaluation in terms of the 80/20 or 90/10 preference point systems**

Only bids that achieve the minimum qualifying score / percentage for functionality must be evaluated further in accordance with the bid specification or terms of reference for the bid concerned, as the case may be;

Evaluate bids based on a stipulated minimum threshold for local production and content as required in the relevant bid specification in the following two stages:

**(iii) First stage - Evaluation in terms of the stipulated minimum threshold for local production and content**

(a) bids must be evaluated in terms of the evaluation criteria stipulated in the bid specification. The amendment of the stipulated minimum threshold for local production and content after the closure of bids is not allowed as this may jeopardize the fairness of the process;

(b) a bid must be disqualified if:

- the bidder fails to achieve the stipulated minimum threshold for local production and content; and
- the Declaration Certificate for Local Content (Form MBD 6.2) is not submitted as part of the bid;

(c) calculate the local content (LC) as a percentage of the bid price in accordance with the SABS approved technical specification number SATS 1286: 201x;

(d) verify the accuracy of the rates of exchange quoted by the bidder in paragraph 4.1 of the Declaration Certificate for Local Content (Form MBD 6.2);

**(iv) Second stage - Evaluation in terms of the 80/20 or 90/10 preference point systems**

- a) check in respect of the recommended bidder whether or not such bidder's municipal rates and taxes and municipal service charges are not in arrears;
- b) verify the status of recommended bidders (including their directors(s), owners(s) or trustee(s)) by checking the Data Base of Restricted Suppliers maintained by National Treasury in order to ensure that no recommended bidder or any of its directors/owners/trustees are listed as companies or persons prohibited from doing business with the public sector;
- c) Upon finalization of the evaluation and the bidder who scored the highest total number of points is identified, the preferred bidder must be assessed to determine if the bidder is from the Kouga Local Municipal Area. Where the preferred bidder is not from the Kouga Local Municipal Area, bidders who scored within 10 points of the score obtained by the preferred bidder must be assessed to determine if the bidder is from the Kouga Local Municipal Area. Where there are bidders from the Kouga Local Municipal Area, these bidders must be further assessed to ensure that the bidders' price is within 10% of the price of the preferred bidder. Where there are bidders who meet these criteria, the bidder with the lowest price from the Kouga Local Municipal Area must be recommended for the award of the tender. Where there is no bidder from the Kouga Local Municipal Area, the contract must be awarded to the bidder who scored the highest total number of points (As required in terms of the SMME Policy);
- d) submit to the adjudication committee a report and recommendations regarding the award of the bid or any other related matter provided that:
  - I. a contract must be awarded to the bidder who scored the highest total number of points in terms of the preference points systems referred to in paragraphs 29(3.3) and 29(4.3) as may be applicable; and
  - II. in exceptional circumstances and as provided in paragraph 29.9 of this policy, a contract may be awarded to a bidder that did not score the highest number of points provided that the reasons for such a recommendation must be recorded for audit purposes and be defensible in a court of law.

**29. Bid adjudication committees**

- (1)** A bid adjudication committee must consist of at least four senior managers of the municipality which must include -
- (a)** the chief financial officer or, if the chief financial officer is not available, another manager in the budget and treasury office reporting directly to the chief financial officer and designated by the chief financial officer; and
  - (b)** at least one senior supply chain management practitioner who is an official of the municipality; and

- (9) Subparagraph 8 does not apply if a different bid was approved in order to rectify an irregularity.
- (10) Notwithstanding any provision to the contrary in this paragraph or any other provision in this policy:
- (a) contracts above a value of R10m (all applicable taxes included) may only be awarded to the preferred bidder after the chief financial officer has verified in writing that budgetary provision exists for the procurement concerned and that it is consistent with the Integrated Development Plan of the municipality.
  - (b) during a competitive bidding and adjudication process or before the award of a contract, the accounting officer may, at his/her discretion, specifically request the internal audit function of the municipality or, when so required, an independent external audit service provider (including an organ of state) to carry out audit procedures and provide an opinion on compliance of the bidding process with supply chain management legislation applicable to the municipality.
- (11) The accounting officer shall cause details of all bids awarded through a competitive bidding process to be advertised on the website of the municipality and such notification shall include at least the following information:
- (a) Contract numbers and description of goods, service or works projects procured;
  - (b) Names of the successful bidder(s) and the B-BBEE level of contribution claimed;
  - (c) The contract prices(s);
  - (d) Brand names and dates for completion of contracts.
- (12) **Notification of the decision made by accounting officer based on BAC recommendations;**
- a) The successful and unsuccessful bidders shall be notified in writing once a Final Award has been made.
  - b) The successful bidder shall, in addition, be advised of the 14-day appeal period, and be notified that no rights accrue to him/her until the bid is formally accepted in writing.
  - c) Where a preferred bidder has been identified and is referred to the accounting officer by the Bid Adjudication Committee in order to authorize the negotiation of the final terms of a contract, the preferred bidder shall be notified of its preferred bidder status.

- d) Every notification of decision shall be faxed or sent via electronic mail to the address chosen by the bidder, with a copy of proof of transmission kept for record purposes, or shall be delivered by hand, in which case acknowledgement of receipt must be signed and dated on a copy of such notification and kept for record purposes.

### **30. Procurement of banking services**

- (1) A contract for banking services -
- (a) must be procured through competitive bidding;
  - (b) must be consistent with section 7 or 85 of the Act; and
  - (c) may not be for a period of more than five years at a time.
- (2) The process for procuring a contract for banking services must commence at least nine months before the end of an existing contract.
- (3) The closure date for the submission of bids may not be less than 60 days from the date on which the advertisement is placed in a newspaper in terms of paragraph 23 (1).
- (4) Bids must be restricted to banks registered in terms of the Banks Act, 1990 (Act No. 94 of 1990).

### **31. Procurement of IT related goods or services**

- (1) The accounting officer may request the State Information Technology Agency (SITA) to assist with the acquisition of IT related goods or services through a competitive bidding process.
- (2) Both parties must enter into a written agreement to regulate the services rendered by, and the payments to be made to, SITA.
- (3) The accounting officer must notify SITA together with a motivation of the IT needs if -
- (a) the transaction value of IT related goods or services required in any financial year will exceed R50 million (VAT included); or
  - (b) the transaction value of a contract to be procured, whether for one or more years, exceeds R50 million (VAT included).
- (4) If SITA comments on the submission and the municipality does not agree with such comments, the comments and the reasons for rejecting or not following such comments must be submitted to the council, the National and Provincial Treasuries and the Auditor-General.

### **32. Procurement of goods and services under contracts secured by other organs of state**

- (1) The accounting officer may procure goods or services under a contract secured by another organ of state, but only if -

- (a) the contract has been secured by that other organ of state by means of a competitive bidding process applicable to that organ of state;
  - (b) there is no reason to believe that such contract was not validly procured;
  - (c) there are demonstrable discounts or benefits to do so; and
  - (d) that other organ of state and the provider concerned have consented to such procurement in writing.
- (2) Subparagraphs (1) (c) and (d) do not apply if -
- (a) a municipal entity procures goods or services through a contract secured by its parent municipality; or
  - (b) a municipality procures goods or services through a contract secured by a municipal entity of which it is the parent municipality.

### **33. Procurement of goods necessitating special safety arrangements**

- (1) The acquisition and storage of goods in bulk (other than water), which necessitate special safety arrangements, including gasses and fuel, should be avoided wherever possible.
- (2) Where the storage of goods in bulk is justified, such justification must be based on sound reasons, including the total cost of ownership, cost advantages and environmental impact and must be approved by the accounting officer.

### **34. Proudly SA Campaign**

- (1) The Municipality supports the Proudly SA Campaign to the extent that, as far as possible, preference is given to procuring local goods and services in line with the Updated Preferential Procurement Regulation of 2017

### **35. Appointment of consultants**

- (1) The accounting officer may procure consulting services provided that any Treasury guidelines in respect of consulting services are taken into account when such procurements are made.
- (2) Consultancy services must be procured through competitive bids if -
  - (a) the value of the contract exceeds R200 000 (VAT included); or
  - (b) the duration period of the contract exceeds one year.
- (3) In addition to any requirements prescribed by this policy for competitive bids, bidders must furnish particulars of -
  - (a) all consultancy services provided to an organ of state in the last five years; and
  - (b) any similar consultancy services provided to an organ of state in the last five years.

- (4) The accounting officer must ensure that copyright in any document produced and the patent rights or ownership in any plant, machinery, thing, system or process designed or devised by a consultant in the course of the consultancy service is vested in the municipality.

**36. Deviation, and ratification of minor breaches of, procurement processes**

1. The accounting officer may –dispense with the official procurement processes established by this policy and procure any required goods or services through any convenient process, which may include direct negotiations, but only -

- 1) in an emergency;** the conditions warranting *emergency dispensation* should include the existence of one or more of the following:

- a. the possibility of human injury or death;
- b. the prevalence of human suffering or deprivation of rights;
- c. the possibility of damage to property, or suffering and death of livestock and animals;
- d. the interruption of essential services, including transportation and communication facilities or support services critical to the effective functioning of the KLM as a whole;
- e. the possibility of serious damage occurring to the natural environment;
- f. the possibility that failure to take necessary action may result in the KLM not being able to render an essential community service; and the possibility that the security of the state could be compromised.

- 2)** if such goods or services are produced or available from a single or sole provider only in circumstances where such supplier:

- 3)** there is a requirement for compatibility, continuity and alignment;

- 4)** for the acquisition of special works of art or historical objects where specifications are difficult to compile;

- 5)** acquisition of animals for zoos and/or nature and game reserves; or

- 6)** in any other exceptional case where it is impractical or impossible to follow the official procurement processes; and

- (2)** Ratify any minor breaches of the procurement processes by an official or committee acting in terms of delegated powers or duties which are purely of a technical nature.

- (3)** The accounting officer must record the reasons for any deviations in terms of subparagraphs (1) (a)(1) to (6) of this policy and report them to the next meeting of the council and also include such reasons as a note to the annual financial statements of the municipality.

- (4) Subparagraph (2) does not apply to the procurement of goods and services contemplated in paragraph 11(2) of this policy.
- (5) For all Deviations, the standard Deviation Form (**Attached as Annexure A**) must be completed appropriately, with the necessary reviews and recommendations prior to the Municipal Manager's approval
- (6) **Single Source Selection;** National Treasury Guidelines provide for single-source selection in exceptional cases for consulting services. The justification for single-source selection must be examined in the context of the overall interests of the KLM and the project. Single-source selection may be appropriate only if it presents a clear advantage over competition: the following requirements must be met or covered in the motivation;
  - a) for services that represent a natural continuation of previous work carried out by the consultant, and continuity of downstream work is considered essential;
  - b) where rapid selection is essential;
  - c) for very small appointments;
  - d) when only one consultant is qualified or has experience of exceptional worth for the project.
- (7) The reasons for single-source selection must be fully motivated in a report and approved by the Bid Adjudication Committee prior to conclusion of a contract, provided that if the award is for an amount of R200 000 or less, such award shall be approved by the Chief Financial Officer.
- (8) Consultant appointments approved in terms of a single-source selection process must be formalized in a written contract which describes the terms and conditions of contract, as well as the scope of services required.

### **37. Unsolicited bids**

- (1) An unsolicited bid is a bid that is submitted by a prospective supplier to the municipality without any procurement requirement first having been identified and advertised. This situation arises when a supplier identifies an opportunity to render services or supply products not ordinarily required by the municipality.
- (2) In accordance with section 113 of the Act, there is no obligation upon the municipality to consider unsolicited bids received outside a normal bidding process.
- (3) The accounting officer may decide in terms of section 113(2) of the Act to consider an unsolicited bid but only if -
  - (a) the product or service offered in terms of the bid is a demonstrably or proven unique innovative concept;
  - (b) the product or service will be exceptionally beneficial to the municipality or have exceptional cost advantages;

**38. Combating of abuse of supply chain management system**

- (1)** The accounting officer must-
- (a)** take all reasonable steps to prevent abuse of the supply chain management system;
  - (b)** investigate any allegations against an official or other role player of fraud, corruption, favouritism, unfair or irregular practices or a failure to comply with this policy, and when justified -
    - (i)** take appropriate steps against such official or other role player; or
    - (ii)** report any alleged criminal conduct to the South African Police Service;
  - (c)** check the National Treasury's database prior to awarding any contract to ensure that no recommended bidder or any of its directors, is listed as a person prohibited from doing business with the public sector;
  - (d)** reject any bid from a bidder -
    - (i)** if any municipal rates and taxes or municipal service charges owed by that bidder or any of its directors to the municipality or to any other municipality or municipal entity, are in arrears for more than three months; or
    - (ii)** who, during the last five years, has failed to perform satisfactorily on a previous contract with the municipality or any other organ of state after written notice was given to that bidder that performance was unsatisfactory;
  - (e)** reject a recommendation for the award of a contract if the recommended bidder or any of its directors has committed a corrupt or fraudulent act in competing for the particular contract;
  - (f)** cancel a contract awarded to a person if -
    - (i)** such person committed any corrupt or fraudulent act during the bidding process or the execution of the contract; or
    - (ii)** an official or other role player committed any corrupt or fraudulent act during the bidding process or the execution of the contract that benefited that person; and
  - (g)** Reject the bid of any bidder if that bidder or any of its directors -
    - (i)** has abused the supply chain management system of the municipality or has committed any improper conduct in relation to such system;
    - (ii)** has been convicted for fraud or corruption during the past five years;

- (iii) has willfully neglected, reneged on or failed to comply with any government, municipal or other public sector contract during the past five years; or
  - (iv) has been listed in the Register for Tender Defaulters in terms of section 29 of the Prevention and Combating of Corrupt Activities Act (No. 12 of 2004).
- (2) The accounting officer must inform the National and Provincial Treasuries in writing of any actions taken in terms of subparagraphs (1)(b)(ii), (e) or (f) above.
- (3) If the accounting officer, on reasonable grounds, believes that a bidder or a contractor has engaged in bid rigging, he shall refer the matter to the Competition Tribunal for investigation and the taking of action against the bidder or contractor concerned in a manner contemplated in the Competition Act No. 89 of 1998.

### **Part 3: Logistics, Disposal, Risk and Performance Management**

#### **39. Logistics management System**

- 1) The accounting officer must establish and implement an effective system of logistics management, which must include -
  - (a) the monitoring of spending patterns on types or classes of goods and services incorporating, where practical, the coding of items to ensure that each item has a unique number;
  - (b) the setting of inventory levels that includes minimum and maximum levels and lead times wherever goods are placed in stock;
  - (c) the placing of manual or electronic orders for all acquisitions other than those from petty cash; the following process must be adhered to;
    - i. Purchase orders will be created with reference to requisitions where the supply source is either bids or quotations.
    - ii. All purchase orders will be captured on the KLM SAMRAS system exclusive of VAT.
    - iii. Standing/Planned Purchase Orders may be used in cases where longer term arrangements, necessitating interim payments, are required.
    - iv. Purchase order approvals will be systems based and shall be authorized by the Stores Section through the office of Manager: SCM. That will happen after all the requisition have been approved by the duly delegated officials.
    - v. In respect of goods and services no work shall commence, or goods be delivered before an official order has been placed with the supplier.
    - vi. KLM shall not be liable for payment for any goods delivered or services rendered in contravention of clause 39(c)(v) above.

- (d) before payment is approved, certification by the responsible officer that the goods and services are received or rendered on time and is in accordance with the order, the general conditions of contract and specifications where applicable and that the price charged is as quoted in terms of a contract;
  - (e) appropriate standards of internal control and warehouse management to ensure that goods placed in stores are secure and only used for the purpose for which they were purchased;
  - (f) regular checking to ensure that all assets including official vehicles are properly managed, appropriately maintained and only used for official purposes; and
  - (g) monitoring and review of the supply vendor performance to ensure compliance with specifications and contract conditions for particular goods or services.
- 2) Receiving of Orders; Goods received will be captured on the SAMRAS system via a *Goods Received Note* with reference to the relevant purchase order. Where applicable, the Budget and Treasury Office or the Assets Section (for asset creation) and Insurance Section (for claims) will be informed of the purchase. It must be noted that requisitions for the acquisition of assets must be verified by the assets section and the requisition must be stamped to confirm the process to be followed. The asset section must keep records of those requisition for asset register and insurance purpose.
- 3) Deliveries of goods may not exceed the order quantity. Short deliveries will keep the purchase order open until the balance of the order is received or cancelled.
- 4) Valuation of stock; Stock is valued on the weighted average costing method per stock item and is VAT exclusive. Stock is valued in terms of the generally recognized accounting procedures as adopted by the KLM.
- 5) Stock items shall be systematically replenished using the re-order point planning strategy. Open reservations shall be taken into account during the replenishment run.
- 6) Goods will be issued from stock with reference to reservations. Goods can be issued for consumption against internal orders, cost centres, projects and assets under construction.
- 7) Purchase orders will be created, where applicable, with reference to replenishment requisitions in respect of term supply contracts for goods. Replenishment requisition approvals will be systems based. All replenishment will be processed via the Acquisition Management System.
- 8) Stores Management; The stores function shall be centralized and will operate under the jurisdiction of the Supply Chain Management Department. The Supply Chain Manager must ensure proper financial, budgetary control; uphold the principle of effective administration, proper stock holding and control, product standardization, quality of products and a high standard of service levels. The Manager: Supply Chain Management will develop and implement appropriate stock management procedures. The Chief Financial Officer is the only delegated authority to write off stock.

#### **40. Disposal Management System**

- (1)** In terms of section 14 of the Act, the municipality may not transfer ownership as a result of a sale or other transaction or otherwise permanently dispose of a capital asset needed to provide the minimum level of basic municipal services.
- (2)** A municipality may transfer ownership or otherwise dispose of capital asset other than one contemplated in subsection (1), but only after the council, in a meeting open to the public-
  - (a)** has decided on reasonable grounds that the asset is not needed to provide the minimum level of basic municipal services; and
  - (b)** has considered the fair market value of the asset and the economic and community value to be received in exchange for the asset.
- (3)** An asset may be disposed of by -
  - (i)** transferring the asset concerned to another organ of state in terms of a provision of the Act enabling the transfer of assets;
  - (ii)** transferring the asset concerned to another organ of state at market related value or, when appropriate, free of charge;
  - (iii)** selling the asset concerned; or
  - (iv)** destroying such asset.
- (4)** **The accounting officer must ensure that -**
  - (a)** when immovable property is sold by means of a competitive bidding process, the highest price offered shall be accepted, provided such price is equal to or higher than the market related price for the relevant immovable property;
  - (b)** in other cases, only at a market related price except when the public interest or the plight of the poor demands otherwise in which event the sale price shall be determined in accordance with the applicable land disposal or indigent policy adopted by the council;
  - (c)** movable assets are sold either by way of written price quotations, a competitive bidding process or by public auction at the highest offered price, provided such price is market related;
  - (d)** firearms are not sold or donated to any person or institution within or outside the Republic unless approved by the National Conventional Arms Control Committee;
  - (e)** immovable property is let at market related rentals except when the public interest or the plight of the poor demands otherwise in which event the rental shall be determined in accordance with the applicable land disposal or indigent support policy adopted by the council;

- (f) all fees, charges, rates, tariffs, scales of fees or other charges relating to the letting of immovable property are annually reviewed;
  - (g) where assets are traded in for other assets, the highest possible trade-in price is negotiated; and
  - (h) in the case of the free disposal of computer equipment, the provincial department of education is first approached to indicate, within 30 days, whether or not any of the local schools are interested in such equipment.
- (5) This paragraph must be read with and applied in conjunction with the Municipal Asset Transfer Regulations contained in Government Notice R. 878 of 22 August 2008 and the associated policies adopted by the council. In the event of conflict, the provisions of the aforesaid Regulations shall be applied.

#### **41. Risk management**

- (1) The accounting officer must establish and implement an effective system of risk management for the identification, consideration and avoidance of potential risks in the supply chain management system.
- (2) Risk management must include -
  - (a) the identification of risks on a case-by-case basis;
  - (b) the allocation of risks to the party best suited to manage such risks;
  - (c) acceptance of the cost of the risk where the cost of transferring the risk is greater than that of retaining it;
  - (d) the management of risks in a pro-active manner and the provision of adequate cover for residual risks; and
  - (e) the assignment of relative risks to the contracting parties through clear and unambiguous contract documentation.

#### **42. Performance management**

The accounting officer must establish and implement an internal monitoring system in order to determine, on the basis of a retrospective analysis, whether the authorized supply chain management processes were followed and whether the objectives of this policy were achieved.

- 1) Performance management shall accordingly be characterised by a monitoring process and retrospective analysis to determine whether:
  - a. value for money has been attained;
  - b. proper processes have been followed;
  - c. desired objectives have been achieved;
  - d. there is an opportunity to improve the process;
  - e. suppliers have been assessed and what that assessment is; and
  - f. there has been deviation from procedures and, if so, what the reasons for that deviation are.

- 2) The performance management system shall accordingly focus on, amongst others:
- a. achievement of goals;
  - b. compliance to norms and standards;
  - c. savings generated;
  - d. cost variances per item;
  - e. non-compliance with contractual conditions and requirements; and
  - f. the cost efficiency of the procurement process itself.

#### Part 4: Other matters

#### 43. Tax Matters

- 1) In terms of the Act municipalities are prohibited from awarding bids to persons whose tax matters have not been cleared by SARS.
- 2) Before making an award to a person, the Supply Chain Management Unit, must verify the tax compliance status of a taxpayer on the SARS e-Filing system.
- 3) The National Treasury's Centralized Supplier Database and the Tax Compliance Pin are the approved methods to be used to prove tax compliance.
- 4) Where goods and services are procured from foreign supplier with tax obligations in South Africa, proof of tax compliance status should be obtained from supplier.
- 5) Foreign Suppliers with neither South African tax obligations nor history of doing business in South should complete a pre-award questionnaire on the 2018 revised MBD 1 for their tax obligation categorization. The Accounting Officer must submit a copy of this completed MBD 1 received from the awarded bidder to SARS. SARS will issue a letter to the procuring entity confirming whether or not foreign supplier has tax obligations in South Africa.
- 6) Where the recommended bidder is not tax compliant, the bidder should be notified of their non – compliant status and the bidder must be requested to submit to the municipality within seven (7) working days, proof from SARS that they have remediate their tax compliance status. The proof of tax compliance status submitted by the bidder must be verified in terms of section 43(3) or via CSD or e-Filing.
- 7) The Accounting Officer should reject a bid submitted by the bidder if such bidder fails to provide proof of tax compliance status within the specified timeframe as stated in section 43(6) above.
- 8) If a bidder was tax compliant at the time of award, purchase order and thereafter, and the goods and services has been delivered satisfactorily without any dispute, the Accounting Officer should not delay processing payment of invoices due to outstanding tax matters. This only applies where bidder was tax compliant on the date of tender award or the processing of official purchase order.
- 9) The tax status of all bidders procured through formal quotes which are less than R 30 000 **MUST** be Tax Compliant prior to the generation of purchase order/s. If the recommended bidder is Tax Non-Compliant, then the second highest scorer on points should be considered and so on, provided that the Tax Status is **Tax Compliant**.

**44. Prohibition on awards to persons in the service of the state**

Irrespective of the procurement process followed, no award may be made to a person in terms of this policy -

- (a) who is in the service of the state;

  - (ii) the chief financial officer has certified that funds are available to cover the cost the required additional work.
- (c) A request for the issue of a variation order in an amount exceeding R200 000 shall first be referred to the Bid Adjudication Committee which considered the initial bid for approval provided that the accounting officer may constitute a new Bid Adjudication Committee for this purpose.
- (d) No request for a variation order may be approved in circumstance where new bids may be invited for the additional work concerned.
- (e) The line manager responsible for the implementation of a project undertaken either departmentally or through an appointed contractor must keep a proper record of all variation orders issued in respect of a project.
- (f) The original copy of an issued variation order must be filed with the original bid and contract documents.
- (g) The responsible line manager must, upon completion of additional work or the expiry of any extended contract period authorized by a variation order, certify that the terms and conditions of such variation order have been complied with.

### **(2) Application of contract management by the responsible officials:**

- a) Contract management includes all activities and administrative duties associated with a contract that has arisen through one of the acquisition/procurement processes described in this policy.

- b)** Line departments are fully responsible for contract management and administration. Departmental Heads (Directors) shall be responsible to ensure that a contract manager who will be an internal official and is assigned to ensure the effective management of the contract. The contract manager will typically be the internal project manager assigned to the contract as a whole but may also be a cost centre owner or other responsible official.
- c)** The contract manager's duties and powers shall be governed by the applicable conditions of contract, this Supply Chain Management Policy, any Policies, Frameworks and Procedures relating to contract management adopted by the KLM and the general law.
- d)** Departmental Heads (Directors) shall ensure that contract managers are assigned to each contract within the Department Head's area of responsibility and, where possible, should ensure that such contract manager be involved from the earliest stages of the acquisition process.
- e)** Departmental Heads (Directors) shall further be responsible for ensuring that contract managers:
- i.** take all reasonable steps to ensure that a contract procured through the provisions of this policy is properly enforced;
  - ii.** are adequately trained so that they can exercise the necessary level of responsibility in the performance of their duties;
  - iii.** in administering a contract, adhere to applicable legislation and legal precedent, regulations, policy and formalised guidelines.
- f)** In discharging his duties, the contract manager shall:
- I.** ensure that all the necessary formalities in signing up the contract and/or issuing the purchase order(s) are adhered to;
  - II.** ensure that contracts related to the procurement of goods and services are captured on the KLM's SAMRAS system in the form of a price schedule when appropriate;
  - III.** ensure that all original contract documentation is lodged with the Supply Chain Management Department for record purposes;
  - IV.** monitor, update and report, on a monthly basis, the cost status and delivery forecast of the contract and the performance of the supplier in order to ensure that all of the terms and conditions of the contract are met, including the supplier's obligations as regards preferential procurement, targeted labour and/or resources and local production and content, as applicable;
  - V.** where necessary, take appropriate action where a supplier is
  - VI.** underperforming or is in default or breach of the contract;
  - VII.** where appropriate, authorise payments due in terms of the contract by processing payment certificates (if applicable), and ensuring that the necessary Service Entry Sheets or Goods Received Notes are captured on the KLM's SAMRAS system;

- VIII. manage contract variation or amendment procedures in compliance with the latest directive in this regard as issued by the municipal manager and approved by the applicable delegated authority;
- IX. administer disputes where necessary, in terms of this policy and the applicable Conditions of Contract;
- X. maintain adequate records in sufficient detail on an appropriate contract file to provide an audit trail;
- XI. ensure that contractual actions relating to supplier liquidation proceedings are correctly and timeously taken to ensure the KLM's rights are protected and any negative impact on service delivery is mitigated, such options should include inter alia:
  - 1) supplier proposal (via the liquidator) is deemed acceptable, by the relevant Director, to the KLM utilizing the appropriate contractual mechanisms; or
    - a. cancelling the contract, as the liquidator proposed supplier is deemed unacceptable to the KLM, and the KLM appointing an alternate supplier via appropriate procurement mechanisms); act with care and diligence and observe all accounting and legal requirements; and
    - b. for construction contracts, ensure that all contract administrative requirements of the CIDB is complied with.

### 53. Application of policy to municipal entities

- (a) The provisions of this policy generally do not apply to municipal entities.
- (b) The supply chain management system of a municipal entity shall be applied with due regard to the provisions of this policy and the Regulations and, in the event of conflict, the provisions of the Regulations shall enjoy preference.

### 54. Fronting

- (a) For purposes of this paragraph, "fronting" shall include the under-mentioned acts on the part of a bidder or any person or party associated with a bidder:
  - (i) **Window-dressing:** This includes cases in which black people are appointed or introduced to an enterprise on the basis of tokenism and may subsequently be discouraged or inhibited from substantially participating in the core activities of the enterprise concerned and/or be discouraged or inhibited from substantially participating in the declared areas and/or levels of their participation;
  - (ii) **Benefit Diversion:** This includes initiatives where the economic benefits received by an organization for having B-BBEE Status do not flow to black people in the ratio specified by law;
  - (iii) **Opportunistic Intermediaries:** This includes enterprises that have concluded agreements with other enterprises in order to leverage the opportunistic intermediary's favourable B-BBEE status in circumstances where the agreement involves:

- (a) Significant limitations or restrictions on the identity of the opportunistic intermediary's suppliers, service providers, clients or customers;
  - (b) The maintenance of their business operations in a context reasonably considered improbable having regard to resources; and
  - (c) Terms and conditions that are not negotiated at arms-length on a fair and reasonable basis.
- (b) Where the accounting office detects fronting, he must act against the bidder concerned in terms of paragraph 27(9.3) and, in addition, report such fronting to the Department of Trade and Industry.

## **55 Conditions relating to the granting of preference:**

### **(1) Local Production and Content,**

- a) The Department of Trade and Industry may, in consultation with the National Treasury designate a sector, sub-sector or industry or product in accordance with the national development and industrial policies for local production and content, where only locally produced services or goods or locally manufactured goods meet the stipulated minimum threshold for local production and content taking into account economic and other relevant factors and stipulate a minimum threshold for local production and content. The National Treasury must inform KLM of any designations made through the issue of a circular.
- b) In the case of designated sectors, such bids must be advertised with a specific condition of bidding that only locally produced goods or locally manufactured goods, meeting the stipulated minimum threshold for local production and content will be considered.
- c) any instructions, circulars and guidelines issued by National Treasury in the above regard must be complied with.
- d) Where there is no designated sector, bids may include, as a specific condition of bidding, that only locally produced goods or locally manufactured goods with a stipulated minimum threshold for local production and content, will be considered, on condition that such prescript and threshold(s) are in accordance with the specific directives issued for this purpose by the National Treasury in consultation with the Department of Trade and Industry.
- e) A person awarded a contract in relation to a designated sector, may not subcontract in such a manner that the local production and content of the overall value of the contract is reduced to below the stipulated minimum threshold.
- f) A bid that fails to meet the minimum stipulated threshold for local production and content is an unacceptable bid.

## **(2) Subcontracting as a condition of tender/bid:**

Subcontracting as condition of a bid:

- a. If feasible to subcontract for a contract above R30 million, the KLM must apply subcontracting to advance designated groups.
- b. If KLM applies subcontracting as a condition of a bid, the KLM must advertise the bid with a specific bid condition that the successful bidder must subcontract a minimum of 30% of the value of the contract to:
  - 1) an EME or QSE;
  - 2) an EME or QSE which is at least 51% owned by black people;
  - 3) an EME or QSE which is at least 51% owned by black people who are youth;
  - 4) an EME or QSE which is at least 51% owned by black people who are women;
  - 5) an EME or QSE which is at least 51% owned by black people with disabilities;
  - 6) an EME or QSE which is at least 51% owned by black people living in rural or undeveloped areas or townships;
  - 7) a co-operative which is at least 51% owned by black people;
  - 8) an EME or QSE which is at least 51% owned by black people who are military veterans; or
  - 9) more than one of the categories referred to in this clause.
- c. The KLM must make available the list of all suppliers registered on a database approved by the National Treasury to provide the required goods or services in respect of the applicable designated groups mentioned in the preceding clause from which the bidder must select a supplier.

## **(3) Unbundling Strategies:**

- a) In order to encourage increased participation and the sustainable growth of the small business sector, the unbundling of larger projects into smaller, more manageable, contracts is encouraged. Unbundling must however be considered in the context of:
  1. economies of scale being lost;
  2. abortive work becoming necessary;
  3. additional demands (not only financial) being placed on the KLM's resources; and
  4. the risk of later phases not being completed as a result of budget cuts becoming necessary in the future.
- b) Unbundling, and all of its associated implications, must therefore be carefully considered at the planning stage of any project and the budgets for, and design thereof, should be structured accordingly.
- c) It is important to note that while it is the KLM policy to procure goods, services or construction works in the smallest practicable quantities, the

practice of parceling such procurement in order to avoid complying with the requirements of the different range of procurement processes described in this policy is not permitted.

#### **(4) Increasing Employment Opportunities:**

- a) One of the KLM key socio-economic objectives is to facilitate the creation of employment for the people of KLM.
- b) Increasing employment opportunities through procurement may be achieved by specifying labour intensive technologies and/or methods of construction in the bid documents.
- c) It is up to Responsible Agents to thoroughly investigate the options available in the above regard, to evaluate the positive versus negative impact of any proposals, and to specify labour intensive technologies and/or methods where appropriate.
- d) All labour earning less than a threshold wage, determined in accordance with National Guidelines, that is employed for the provision of services or construction works for KLM, shall be reported in the prescribed format, on a monthly basis, to the Directorate responsible for Extended Public Works Programme (EPWP).

#### **(5) Targeted Labour and or Targeted Enterprises:**

- a) The targeting of labour and/or enterprises from specific areas within the boundaries of the KLM area may be achieved, where appropriate, by specifying in the bid documents, a minimum level of participation (a contract participation goal) that must be achieved in respect of targeted labour and/or targeted enterprises in the performance of the contract.
- b) Specified contract participation goals must be measurable and achievable, and the performance in respect of which must be monitored by the Responsible Agents during the execution of the contract.
- c) Where a minimum contract participation goal has been specified in respect of targeted labour and/or enterprises, the supplier is obliged to meet that goal, and must be penalized if he or she does not.
- d) Contract participation goals in respect of targeted labour and/or enterprises may not be introduced into the preference point system used for the evaluation of bids.

### **56 Archive of Bidding Documents**

- (1) Bidding documents have to be kept in a safe.
- (2) The following will be applicable before the destruction of any documents:
  - a) Formal written quotation documents have to be kept for a minimum of five (5) years.

- b) The documents for tenders that were awarded for a period of less than one (1) year must be kept for a minimum of five (5) years.
- c) The documents for tenders that were awarded for a period of more than one (1) year must be kept for a minimum of six (6) years or for a period of six (6) years after the completion of the project.
- d) No documents can be destroyed without the written permission of the relevant director; and
- e) No documents of successful bidders may be destroyed.

## **57 Construction Industry Development Board**

- 1) The Construction Industry Development Board (CIDB) has been established by government to promote the uniform application of policy to the construction industry.
  - a) When calling for construction related bids:
    - i. the prescribed CIDB (uniformity standard bid documents) may be utilized.
    - ii. only Contractors registered with the CIDB may be used.
    - iii. all tenders must be advertised on the CIDB i-tender system.
    - iv. consultants used in the procurement process must adhere to the CIDB legislation.
    - v. consultants used in the procurement process are prohibited to provide goods,
    - vi. works or services related to the project; and (vii) subcontract arrangements and joint venture initiatives must be aligned to CIDB guidelines and requirements.
    - vii. the same Bid Committee system as for all other bids will be applicable.
  - b) When evaluating construction related bids - (i) the registration and grading on the CIDB website must be verified; (ii) the contractor and has to be valid on the day the Bid Evaluation Committee evaluates the bid; (iii) the CIDB contractor requirements; and (iv) calculations for joint venture gradings must be done according to the CIDB prescriptions.
- 2) Other matters - (a) all projects approved by the Municipality must be registered with the CIDB; (b) contracts registered on the i-tender systems must be updated and completed; (c) non-performance and non-compliance of contractors must be reported to the CIDB as per the CIDB guidelines; and (d) Sub-contracting arrangements and joint-venture initiatives must be aligned to the CIDB guidelines and requirements

## **58 Commencement**

This policy takes effect on the date of its adoption by the council.

**ANNEXURE A**

**KOUGA LOCAL MUNICIPALITY**

**CODE OF CONDUCT FOR SUPPLY CHAIN MANAGEMENT PRACTITIONERS AND  
OTHER ROLE PLAYERS**

The purpose of this Code of Conduct is to promote mutual trust and respect and an environment where business can be conducted with integrity and in a fair and reasonable manner.

**1. General Principles**

The municipality commits itself to a policy of fair dealing and integrity in the conducting of its business. Officials and other role players involved in supply chain management (SCM) are in a position of trust which implies a duty to act in the public interest. Officials and other role players should not perform their duties to unlawfully gain any form of compensation, payment or gratuity from any person or provider / contractor either for themselves, their family, their friends and business associates.

Officials and other role players involved in SCM should ensure that they perform their duties efficiently, effectively, with integrity and in accordance with applicable legislation, policies and guidelines. They should ensure that public resources are administered responsibly.

Officials and other role players involved in SCM should be fair and impartial in the performance of their functions. They should, at no time, afford any undue preferential treatment to any group or individual or unfairly discriminate against any group or individual and they should also not abuse the power and authority vested in them.

**2. Conflict of interest**

An official or other role player involved with supply chain management -

- (a) must treat all providers and potential providers equitably and fairly;
- (b) may not use his/her position for private gain or to improperly benefit another person;
- (c) may not accept any reward, gift, favour, hospitality or other benefit directly or indirectly, including to any close family member, partner or associate of that person, of a value more than R350;
- (d) must declare to the accounting officer details of any reward, gift, favour, hospitality or other benefit promised, offered or granted to that person or to any close family member, partner or associate of that person;
- (e) must declare to the accounting officer details of any private or business interest which that person or any close family member, partner or associate, may have in any proposed procurement or disposal process or in any award of a contract by the municipality;
- (f) must immediately withdraw from participating in any manner whatsoever in a procurement or disposal process or in the award of a contract in which that person or any close family member, partner or associate has any private or business interest;

- (g) must declare any business, commercial and financial interests or activities undertaken for financial gain that may give rise to a possible conflict of interest;
- (h) should not place him/herself under any financial or other obligation to outside individuals or organizations that might seek to influence him/her in the performance of his/her official duties; and
- (i) should not take improper advantage of his/her previous office after leaving his/her official position.

### **3. Accountability**

- 3.1 Practitioners are accountable to the public for their decisions and actions.
- 3.2 Practitioners should use public property scrupulously.
- 3.3 Only accounting officers or their delegates have the authority to commit the municipality to any transaction for the procurement of goods, services or works.
- 3.4 All transactions conducted by a practitioner should be recorded and accounted for in an appropriate accounting system. Practitioners should not make any false or misleading entries in such a system for any reason whatsoever.
- 3.5 Practitioners must assist the accounting officer in combating fraud, corruption, favoritism, unfair and irregular practices in the supply chain management system.
- 3.6 Practitioners must report to the accounting officer any alleged irregular conduct in the supply chain management system which they may become aware of, including but not limited to -
  - (i) any alleged fraud, corruption, favoritism or unfair conduct;
  - (ii) any alleged contravention of the policy on inducements, rewards, gifts and favours to municipalities or municipal entities, officials or other role players; and
  - (iii) any alleged breach of this code of conduct.
- 3.7 Any declarations made must be recorded in a register which the accounting officer must keep for this purpose. Any declarations made by the accounting officer must be made to the mayor who must ensure that such declaration is recorded in the register.

### **4. Openness**

Practitioners should be as open as possible about all the decisions and actions that they take. They should give reasons for their decisions and restrict the supply of information only if it is in the public interest to do so.

### **5. Confidentiality**

- 5.1 Any information that is the property of the municipality or its providers should be protected at all times. No information regarding any bid/contract/bidder/contractor may be revealed if such an action will infringe the relevant bidder's/contractors' personal rights.

**5.2** Matters of confidential nature in the possession of officials and other role players involved in SCM should be kept confidential unless legislation, the performance of duty or the provisions of law requires otherwise. Such restrictions also apply to officials and other role players involved in SCM after they have left the service of the municipality.

## **6. Bid Specification / Evaluation / Adjudication Committees**

**6.1** Bid specification, evaluation and adjudication committees should implement supply chain management on behalf of the municipality in an honest, fair, impartial, transparent, cost-effective and accountable manner.

**6.2** Bid evaluation / adjudication committees should be familiar with and adhere to the prescribed legislation, directives and procedures in respect of supply chain management in order to perform effectively and efficiently.

**6.3** All members of bid adjudication committees should be cleared by the accounting officer at the level of "CONFIDENTIAL" and should be required to declare their financial interest annually.

**6.4** No person should-

**6.4.1** interfere with the supply chain management system of the municipality; or

**6.4.2** amend or tamper with any price quotation / bid after its submission.

## **7. Combative Practices**

Combative practices are unethical and illegal and should be avoided at all cost. They include but are not limited to:

**(i)** suggestions to fictitious lower quotations;

**(ii)** reference to non-existent competition;

**(iii)** exploiting errors in price quotations / bids;

**(iv)** soliciting price quotations / bids from bidders / contractors whose names appear on the Register for Tender Defaulters.
