SECTION 4 - SYNOPSIS OF EVENT RISK FACTORS FOR CONSIDERATION BY NATIONAL COMMISSIONER IN MAKING EVENT RISK CATEGORIZATION

We respectfully submit that the following factors should be considered by the National Commissioner in making the event risk categorization in respect of this event:

4.1 The event is being hosted in a stadium/venue/along a route that meets the requirements for a high risk event grading certificate in Section 8 (4) of the Act;

4.2 I/We have/**do not have** historical experience in the holding of similar events of a similar size (DELETE WHERE NOT APPLICABLE);

4.3 I/**We have appointed**/ensured the appointment of an event safety officer to oversee the safety & security planning requirements of Section 4 (9) & 23 of the Act are in place:

Name of Event Safety Officer: (INSERT FULL NAMES OF APPOINTED EVENT SAFETY OFFICER HERE)

Contact Details :

- e-mail :
- Mobile No: :

4.4 The expected spectator attendance, based on the attendance at historical matches of a similar profile, **No** spectators.

4.5 There is no history of violence **N/A**

4.6 Inclement weather is/**is not** (DELETE WHERE NOT APPLICABLE) forecasted for the event. The long range weather forecast indicates the following weather conditions on the day of the event:

Sunny

.....
(INSERT RELEVANT WEATHER INFORMATION HERE)

E.G. clear sunny day, partly cloudy later with a light to moderate south-easterly with a maximum temperature of 28° C.

4.7 There will/**will not** (Delete where not applicable) be controlled beer sales to the general public at the venue i.t.o. existing protocols with the local SAPS;

© Reserved SRSA/IRM/Patrick Ronan 01/2011

4.8 SIRA registered and Private Security Industry Regulation Act compliant security providers who have worked at the stadium previously will provide access control & general in-stadium security and safety stewarding services on the day;

4.9 Both provincial & private sector medical emergency services will be deployed at the event for the safety of event participants and the general public;

4.10 There are no material historical medical incident trends at similar events hosted previously at the venue which could have an impact on the safety of spectators at the event;

4.11 **Apart** from an on-field DJ playing amplified music to the spectators there will be no other form of on-field entertainment during the event;

4.12 There **will be** / **not be** marketing “giveaways” to spectators during the event;

4.13 The age profile of spectators at the event will range from babies in arms to the elderly;

4.14 There will be VVIP’s will be attending the event;

4.15 Public Liability

4.16 We have notified, in writing, the nearest police station - (BITY SAPS POLICE STATION HERE) - of the details of the event.

SECTION 5 - EVENT RISK CATEGORIZATION RECOMMENDATION

We respectfully submit, with reference to all of the information set-out above, that the event should be categorized as LOW RISK/**MEDIUM**/HIGH (delete where applicable)

In the event that you agree with our assessment of the proposed risk categorization for the event – and as you are aware, we I / We will dispense with the establishment of an event safety & security planning committee and a formal VOC as contemplated in Sections 15 & 17 of the Act.

We await your urgent event risk categorization of this event.

An event briefing meeting has been scheduled at the event venue at (2017-11-29 at 08:00

Kind regards.
