We are glad to announce the appointment of DDP VALUERS as the new Municipal Valuer.

DDP Valuers has a dedicated experienced valuation team consisting of Tinus Nel (Municipal Valuer), Elke Roos and Reinier van Niekerk (Assistant Municipal Valuers), Bertus van Eck (Municipal Assistant), and numerous Candidate Valuers.

Tinus Nel has property valuations experience of over 38 years and will be the municipal valuations team leader for all commercial and agricultural properties. With property valuations experience of over 13 years, former practicing attorney Elke Roos, will be team leader of valuations for all residential properties. The DDP Valuers valuation team will be customer focused with the intention to work closely with the community to prepare a transparent and fair valuation roll. Community input is not only welcomed, but will be utilised to assist the Municipal Valuer in ensuring a widely accepted valuation process.
