

New General Valuations Roll to be compiled

THE compilation of the new General Valuations Roll for Kouga will commence in May.

DDP Valuers, who will be setting up an office in the Kouga region, has been contracted to conduct valuations for the new roll.

Kouga Municipal Manager Sidney Fadi said the roll would be finalised and advertised for objections by January 31, 2014. Rates and taxes for the 2014/2015 financial year will be based on these new property valuations.

Public meetings about the new General Valuation Roll will be held throughout Kouga later in the year. The meetings will allow residents the opportunity to meet the new valuers and to interact with them and the municipality regarding the valuation process to be followed."

Information about the new valuers will also be available on the municipal website.
