

PUBLIC NOTICE
NOTICE: 95/2023

**PREPAID METER AUDIT AND TID UPGRADE – UPDATE OF ELECTRICITY IN AREAS
UNDER THE KOUGA MUNICIPALITY**

Notice is hereby given that the Municipality will be rolling out the TID verification of Electricity Infrastructure in the Kouga Municipality.

Property owners and residents are hereby requested to assist the Municipality by allowing the fieldworkers onto their premises and businesses to conduct the verifications for the next 24 months.

Ontec has been appointed to support the Kouga Municipality with the updating of the **Prepaid Electricity Infrastructure to ensure all meters are compliant and updated from KRN1 to KRN2.**

The updates are aimed at assisting the municipality to convert all existing prepaid meters to be compliant and ensure the Municipal records are updated accordingly.

Property owners and residents are requested to provide full cooperation and must request the following documents from the fieldworkers for identification purposes before allowing them into their properties:

- (1) Original signed instruction letter from Municipality and
- (2) ID Tag and Identity Document

Queries can be directed to the electrical **Area Engineers** on Tel: **042-2002200**.

C. DU PLESSIS
MUNICIPAL MANAGER
